GRAEME VERRCO
CLUB PRESIDENT
EAST FREMANTLE CRICKET CLUB

Finally I would like to thank the Committee for their support over the last year and special thanks to Vic who has been magnificent all year and fully deserved "CLUBMAN OF THE YEAR" award. To George and his new Committee I wish all the best and I am sure that with a lot of hard work to be done in the off season we can restore some lost pride and once again become a respected and successful cricket club.

Also Brendon Clancey and the Colts did very well in making the semi-finals. Congratulations to all trophy winners.

Our on field performances were quite frankly not up to scratch. "A" grade appeared to loose all confidence in their own ability and as a consequence especially after Christmas were extremely disappointing. 2nd grade were the most successful side in our Club and had a slim chance on making the finals up until the last fixture. "Boggy" must be congratulated on his first up effort as 2nd grade captain. "Justin and Sticks" as respective 3rd and 4th grade captains also must be congratulated on sticking to their guns under difficult circumstances.

As the 1995/1996 cricket season has ended for our Club, the following report is probably the most disappointing I have had to write.

PRESIDENTS REPORT

EAST FREMANTLE CRICKET CLUB

1st GRADE REPORT

1995-96

Pre-season started mid July when we had a meeting for the A-grade squad at Preston Point. The turn out for this meeting was tremendous with approximately 25-30 players attending the meeting to find out what we had in store for the coming season and what the coaching staff had in mind for the players. At this point we had also recruited the "Pom" alias Steve Bailey from England and had kept the majority of A-grade players from the previous season, therefore thinking we were well on the way to having a successful year.

We started outdoor training in August and quite different to the previous year had a significant number of the A-grade squad at these sessions, but there was a decline in the number of lower grade players which I think had a bearing on the performances of the lower grades during the season. The trend of the lower grades not attending training seemed to continue throughout the season with no apparent reason why.

Just before the season started we also recruited "Boomer" - Aaron Hwang - who had played 2nd grade WACCA at Bayswater a few years ago and who was looked upon as a perfect opener of the batting. So we had recruited an opening bat (Aaron) and a number 3 in the "Pom" which we were desperate for from the previous year.

Our bowling was strengthened by the acquisition of the "Pom" and from keeping all the bowlers from the previous year we thought we had a strong attack as in the previous year we were consistently rolling sides for under 200.

Therefore, we were well and truly on the way to making the top four and giving the finals a shake.

The season started the way we hoped with a convincing win against Hilton Park at home with everyone contributing something towards the game. The good thing about this win was that there were no stand out performances, but just solid performances from everyone. The expectation now was that we were going to continue on our merry way straight into the finals with Leeming Spartans our next target.

Well we came back to Earth with a "THUD". Leeming won the toss and batted and we fell back into our old habit from the previous year of dropping catches. Paul Hitch was dropped 5 times before he had made 20

EAST FREMANTLE CRICKET CLUB

PAGE 2

and went on to score 94 in quick time. By the end of the day Leeming had amassed 260, but with the win under our belts from the previous game we thought we still had a good chance to win.

The following Saturday our batting just fell apart and we were dismissed for 59. A lot of the guys got out defending as Leeming bowled very well, but if I look back over the last two seasons it seems that we can bat against mediocre attacks, but as soon as we play the better sides our batsmen aren't capable of surviving for long periods of time. As a matter of fact I think from what I have seen we tend to want to smash the better bowlers out of the park attack rather than knuckle down and play them off.

Well we thought one win, one loss, not too bad, but we had to bounce back.

Our next opponents were Phoenix who had beaten us twice the previous year and we were determined to even up the score. Phoenix won the toss and batted and we bowled very well to dismiss them for around 200. During the week leading up to this game we managed to secure the services of Michael Wozencroft - "The Chief" - after many rumours going around on the Friday prior to the game that he was playing for Kardinya, then Leeming Spartans. Wozer bowled well and quick in his first spell and was a little unlucky not to take a couple of early wickets.

The following Saturday came and again we were in early trouble with our batting. 200 at one stage seemed impossible as we were running out of overs and wickets, in came Maty White and proceeded to unleash on the bowling. Balls were heading in the direction of the river more often than not as we drove towards our 2nd win of the season.

After this game we were all quite satisfied that we were achieving what we set out to do at the beginning of the season - ie: to make top four. Two wins out of three and we were at the top of the table with a bye to come, little did we think we could only win one more game for the season.

At this point our season went downhill as we continued to drop catches and paying for it with large scores from the opposition to contend with. Examples of this during the season were:-

Hitch dropped 5 times to score 94 against Leeming
Bootsma dropped 3 times before reaching 5 to score 134 against

EAST FREMANTLE CRICKET CLUB

PAGE 3

Cockburn
Harvey dropped 3 times in scoring 110 against Kardinya
Santaromita dropped 5 times in scoring 100 odd against Cockburn
Harvey dropped again 3 times in scoring 100 odd against Kardinya
Harvey 2nd innings dropped 3 times in scoring 80 odd against Kardinya
Roberts dropped 3 times in scoring 80 odd not out against Phoenix

In all we dropped I think in the vicinity of 36 catches during the season. Harvey must love playing against East Fremantle as we basically give him a hundred before he even goes out to bat.

As the season progressed and we continued to lose we got progressively worse to a point we nearly lost outright to Cockburn in the 2nd last game of the season.

Some of the things that didn't help us were the loss of Shannon Andrews due to work commitments early in the season, the loss of "Boomer" moving interstate, the loss of the "Chief" after one game being cleared to Fremantle and the "Pom" not having a successful season as we had hoped.

Basically all in all it was a disaster and best to be forgotten about, unless the players want to remember the bad times to spur them onto better things next season.

Some of the highlights of the season although they were few and far between were:-

- 1] Matty White's contribution with the bat throughout the season in tight situations.
- 2] Brendon Clancey's return to form with the bat and ball, the highlight being his game against Leeming in the one dayer where he scored 120 odd and took 6 wickets for few runs.
- 3] Brody's return to form after Christmas where he piled up the majority of his 300 runs for the season.
- 4] John Olczyk's early season form with the ball.

Other things that stood out during the season were:-

- 1] The "Pom's" lack of catching ability. We couldn't find a spot in the field big enough to hide him.

EAST FREMANTLE CRICKET CLUB

PAGE 4

2) The hundreds of dollars \$\$\$\$\$ we had in the fines kitty by the end of the season. Supposibly we are all going to 'Highlight 33' to get rid of the donations.

3) Kevin Munro's batting shoes. I think he put black shoe polish on them before each game.

4) Our ability on the pinball machines was extraordinary by the end of the season with all the practice we had before and during the games.

5) Peko's infatuation with either stripping down to nothing or hanging his "old fella" out during the season.
6) Oily's decision to be sponsored by I think "Trevor's Carpets" as he wore their name across his cricket attire.

7) Maty White's lack of haircut sense.

8) Verc's amazing mobility in the field.

9) Clanger's picking of the parties he will and won't attend and the company he keeps during those parties.

10) Oily's friendship with Jamie Harvey.

11) Hofs's spell of fast bowling against CBC.

12) The "Pom's" battle with the reptiles of Australia. I think he said "it's like a safari out there" referring to Preston Points

wildlife.

It's amazing but I could go on with this one, but we shouldn't give too many secrets away.

Ending up I would like to thank the guys for their support and friendship during the season. Although we didn't succeed very often I thought at most times we were a fairly close group enjoying each others company through the bad times.

CAPTAIN'S REPORT - SECOND GRADE

Well, the year that "could have been". That is one way to sum up the 1995/96 season for EAST FREMANTLE second grade. We were still in the hunt for the finals all the way up to the last week, but just like some of the games throughout the year, we were unable to reach our "goal" and win those games. I don't think it was our lack of ability but more of our actual lack of application to the game.

Our first half of the season, up until Christmas, was reasonably good. We probably should have won 1 or 2 more games along the way, and been right up there in the top four. Unfortunately some things didn't go our way and we were fourth of fifth at the break.

The second half of the season was a flop!! For some reason when Christmas time comes, things go "hay-wire" and we never seem to get back on track. The New Year, I thought would bring some enthusiasm into second grade, but unfortunately that wasn't the case. The situation stayed the same, even the chance of playing in the finals couldn't lift us enough. Although we had the ability, we didn't have players training consistently, so our performance dropped and the chances of winning became slimmer as did our finals prospects.

At times, the team did function well together and we had some good wins. The most memorable win was our 'one day' fixture against Cockburn. Our whole game turned around in the space of 24 hours. The day before, Kardinya Lakes beat us with ease, mainly due to our fielding and lack of application when batting. Come Sunday things changed, our fielding was excellent, our bowlers bowled well and we batted more positively than past games. Cockburn had made 6/185 and we responded with 4/189, winning by 6 wickets. It was a "great win", and what a relief it was!!

Even though our team performance wasn't consistently great throughout the year, there were some outstanding individual performances. Some outstanding innings were Brendan Clancey 90 vs Hilton Tempest, he should have made a century. Aaron Hwang 86 and Mark Bogensperger 70 not out (partnership 140), against Cockburn (one day match). Darren Muir 80 out of 140 vs Leeming and 67 vs Hilton Tempest (one day match). Unfortunately no one qualified for the batting award.

At times we had some good bowling, with a notable performance by Matthew White vs Leeming (2 day game) where he returned 4/17. But the best performance of the year came from our most consistent bowler Craig Mc Mannus. Craig took 22 wickets for the season, with his best bowling effort against Phoenix (2 day game), where he took a magnificent 7/49. Without Craig's effort throughout the season we definitely would have been chasing bigger totals. Craig's performance makes him a worthy recipient of the bowling award, and deserves much congratulations. Well Done.

I would also like to thank every player that played every second grade. I was reluctant to take on the captain's job due to my inexperience, but every player helped me in some way and I thank you for that. There were two players I depended on at times more than anyone else, these being George Stradica and Danny Knowles. Even though a Vice

Captain wasn't named at the start of the season, I considered these two as the most experienced, and respected their comments and suggestions very much, thankyou.
Lastly, I would like to thank the committee for all the support they gave me and the confidence they had in me to hold the second grade captain position. Hopefully success will fall in our hands and on our bats next season.....ROLL 'EM BOWL 'EM!!!!

Thankyou
Mark Bogensperger

EAST FREMANTLE CRICKET CLUB
3RD GRADE CAPTAIN'S REPORT
1995/1996 SEASON

In my second year of captaincy I found a stark contrast to last year in 4ths.

We basically struggled from the outset particularly with the bat and the numbers at training fell away badly after the first three games.

I honestly believe that to be a competitive side you have to be able to train at least once a week and have a hit so that you are in some sort of touch for a Saturday and unfortunately our guys just trained far too little, with a few exceptions.

There were a few highlights during the season and wins over Phoenix twice, Hilton Park, Leeming and C B C in the last game to knock them from top spot to 3rd were great efforts.

The last game against C B C probably shows the amount of ability we had in the side but on too many occasions throughout the season the application was sadly astray.

It was a fantastic win over the arch-enemy in the last game and to sing "roll 'em bowl 'em" in the C B C rooms at the end of the game certainly helped wipe away a lot of the disappointments of season '95-'96.

I would like to thank all of the players who donned the 'baggy blue' for the club this year and hope they are back in force in '96-'97 to regain some lost pride and most importantly win games and enjoy each others company.

FOURTH GRADE CAPTAIN'S REPORT

1995/1996

Unfortunately the 95/96 season for fourth's was not to be, winning only 3 games for the season (all one day games), thus we finished at the wrong end of the ladder. With quality players moving to higher grades from the 94/95 side the task was always going to be hard, though my expectations were far greater than the result.

The first 5 games we failed to bring home a victory though losing to Leeming by 5 runs, Phoenix by 4 runs and Cockburn by 20 runs. All good efforts but we failed the winning combination, batting and bowling well in the same game there were some good individual efforts.

#	S. KELLY	V	LEEMING	50*
#	"	V	COCKBURN	78
#	T. GRANT	V	LEEMING	5/58
#	D. CLARKE	V	PHOENIX	5/11

Our first victory for the season was sweet and overdue and it is always good to beat C B C. It also got the ball rolling as we won the next 2. Restricting C B C to 9/138, East Fremantle were coasting at 2/107 in the 29th over, again we stumbled to be 8/135 with 1 over left. Enter Mario Nardi 8/143. C B C came of the ground to the jeers of 'Roll 'em, bowl 'em'.

Victory no. 2 over Hilton (the eventual one day champs) was Troy Grant's day. Chasing 167 for victory East Fremantle were reeling at 7/147 with 2 overs to come. Troy plundered the attack to hit 29 runs in the last 2. Hilton were in shock. Although Troy's hitting was perfect timing, man-of-the-match went to Bruce Heaton with 65 well controlled runs.

The 3rd victory was just as exciting chasing Leeming's 5/160. We lost 78. Mick with 42 and Damien on 47. The East Fremantle shuffle struck us, reeling at 9/140 with 5 overs to spare, Cameron Bateman and Matt Zuvela got us over the line in the last over of the day.

From this point onwards fourths hit a brick wall losing the last four games. Struggling to field 11 players each week just avoiding outright defeats. When a team fails to make 200 in an innings all year, only two players make over 200 (S. Kelly & M. Shorter) for the year, with only four individual scores above 50 (S. Kelly - 3 times, B. Heaton - once),

STEVE KELLY
FOURTH GRADE CAPTAIN
EAST FREMANTLE CRICKET CLUB

Looking forward to more success next season.

Congratulations to all the trophy winners tonight.

Finally, thanks to Vercs, Vic Strnadica, Justin Varney, George Strnadica for all the hard work this season. As we all know the Club is at crossroads at the moment deciding in which direction to go. Best wishes to George, Brodie and the Committee with the hard decisions to be made.

Thanks to all the players of fourth grade (33). It's been a long hard season, especially the regulars - D. Vass; M. Harper; M. Shorter; C. Bray; M. Zuvellia; P. Tippet; M. Taylor; D. Clarke and T. Grant.

I would urge the committee to push the Association to miss a higher grade and play fifth grade, this is a must. No-one enjoys being smashed week in week out.

not one bowler taking over 20 wickets and only bowling the opposition out twice, dropping on average 5 catches per game, we are never ever in the hunt.
