President's Report

2005-2006 will go down in the annals as the season the once proud East Fremantle cricket club rose to reclaim its rightful place amongst the top clubs in the SMCA, lead by its flagship 1st Grade.

I am extremely proud of the achievements of our cricket club both on and off the field in the past season. Firstly congratulations go to Mark Holt and his talented team of veterans and young guns that have captured both the two day and one day flags. This was a fantastic result for the players and the club and both were celebrated in great style. They were clearly the best side in the 6th grade competition and proved it but the best scenario for the club overall is that this was our third best side and was selected accordingly.

The acquisition of Brad Oldroyd as our coach has been an overwhelming success. The way he has lead from the front and provided the players with leadership and inspiration has been second to none and together we have made significant strides in our goals a) to have a competitive and respected 1st grade side and also b) to give ourselves a base - something to build on in the coming seasons with an end of goal of securing a much vaunted 1st grade premiership.

Brad managed to entice Steve Shankland to the club as our 1st grade captain along with quality players Chris Siave and Luke Jury. These players, as is shown in their finishing positions in the club champion award, have been outstanding in all facets and have been a welcome addition to our ranks both on and off the field. We also managed to recruit Andrew George, a compact batsman (thanks Luke for your efforts) and later in the season Murray Dunstan, a quality bat and keeper from Rockingham-Mandurah (thanks Treve for your assistance). We also picked up the fine all round talents of Damien Langley - add this to the continued emergence of our home grown younger and senior players and we had a squad to be competitive in both 1sts & 3rds, with the depth making us stronger overall.

The fact we finished 4th in 1st grade is now well documented and a marvellous achievement for all those who have contributed but particularly for 'Shanx' and 'Oldy', who have worked extremely hard to mould the side together and get it performing at a level that was good enough to win games and play finals cricket. The emergence of some of our young guns, particularly Elliott Lawrie and Hugh Norcross, as 1st grade bowlers of quality has been a great filip for the club and I look forward to watching 'Eddy' and 'Hughy' steaming in taking 1st grade poles for years to come. Travis Sprigg also made significant strides in 1st grade and took 8 wickets @ just over 16 indicating a future at this level if he wants to pursue it. Andrew Stephen and Pat Vallence also made their 1st grade debuts and have enormous talents

with the bat which if applied could see both have long successful careers for our great club.

The performance of our 2nds (3rd grade) has also been a significant development this season and the manner in which these players performed in matches and at training kept constant pressure on our 1st grade players to keep performing or else face the possibility of being dropped. This pressure is not something we have had at the club for many years and is something we will continue to focus on and help create. The 3rd grade side had a very good season winning 9 and losing 5 fixtures, qualifying 3rd and missed playing in a grand final by 1 wicket in what was a tumultuous final against Kwinana. Some players gave fantastic performances throughout the season, these highlighted by the developing all round talents of Scott Knight and some excellent batting performances headed by Steve Rankin, Andrew Stephen & Pat Vallence and after Xmas excellent batting and keeping by Joel 'Billy' Mouritz.

We struggled in terms of winning at 1 Day A and 1 Day C (extra side) level but managed to fill these sides throughout the season and the importance of the players at this level is not to be underestimated. They add significantly financially and socially to the fibre of the club and are extremely valuable to the club overall. A huge thankyou to Adam 'Frenchy' Jorre De St Jorre who skippered our 1 Day C's from early on and did a brilliant job - Frenchy you have made a huge impression at our club, are much loved and we hope to see you back after your overseas ventures. Also a big vote of thanks to Al Lyon, Kev Munro & Angelo 'Mossy' Granato who served the club well as 1 Day A skippers at various times throughout the season.

Perhaps the most startling and significant achievement individually on field this season was the 'unbelievable' performance of Brad Oldroyd, who with 73 1st grade wickets at an average of 13.51 was simply phenomenal. This was a true indication of just how gifted an exponent in the art of left arm orthodox spin bowling he is. Having played one 1st grade game with him this year it was simply a revelation to watch him ply his trade and gave me an insight into a player that is decorated at the highest levels.

To conclude on the playing side of things we must guard against and work hard to not allow any complacency to set in, we did well this season but still came up a long way short of where we want to be. I urge all the players to get involved pre-season and be prepared physically & mentally for the commencement of next season - our goals must be to surpass what we have achieved this season.

Off field has been a fantastic experience for nearly all involved. I sincerely would like to thank the committee who have worked extremely hard not only to see the club successful but also in ensuring that it has been an enjoyable place to be around. Particular thanks go to Cameron Brown who has acted diligently and professionally in his positions of Treasurer & Secretary. Cam

does a power of work for our club and personally Brownny I thank you for all you have done this season and the support you have given me.

To Brent 'Bully' Fairhead thanks mate once again for a simply stunning effort with sponsorship - your commitment and drive has ensured us the liberty to recruit and thus enabled us to turn the fortunes of our great club.

Sincere thanks are extended to a number of volunteers who have filled roles that have enabled our club to function as it has - firstly to the ladies who worked in the kitchen - thankyou so much, your efforts are recognised and appreciated. To Peter 'Blinky' Stephen thanks Blink so much for the coaching you provided to so many, it was well received by all and we hope you will continue to coach and be around the club for seasons to come. Thanks to those that helped out around the club particularly Scott Knight & Brett Sprigg who assisted on many occasions. To Ann Fairhead thankyou sincerely for your efforts they are much appreciated. To anyone I have missed inadvertently I thankyou for helping make our club great!

We will finish this season with a healthy profit from our operating period and to end up with more in the bank than what we started with is tribute to you the members and partners etc for the support you have provided this season. The East Fremantle Cricket Club is indeed in safe hands if the members care and respond as they have this past season. Roll 'em bowl 'em, enjoy the night and I look forward to seeing you all in the season of 2006/07.

Coach's Report

Uncertainty and excitement was what I was feeling in the car on the way to the first pre-season training session at Striker Melville in August 2005. Commencing a season of cricket at a new club as a player/coach I felt a great personal challenge lay ahead.

As a player of WACA cricket for over a decade I had a few coaches in that time, all of whom drilled into me to give 100% and to win at all costs. As I did that and wouldn't dare doubt the coaches request, looking back now there was maybe one important element that these coaches failed to instil into me – fun. That is one thing that I hope I brought to the players this season, without losing sight of what we are here for – and that is to win matches for EFCC. I honestly believe that the fun on and off the field along with team camaraderie we achieved this year went a long way towards the success of the club.

I'd like to take this opportunity to congratulate Holty and his team on winning both the one-day and two-day finals. This was a tremendous performance after having gone up a grade from last season and I have full confidence in Holty and his core group of players succeeding next season when they yet again take another step up the grades.

To Justin and the 3rd grade side, a very good year which with an ounce of luck they too could have played in a premiership. It was great to see the young kids in that team develop, with the likes of Stevo, Patty Vallence and Knighta, and I look forward to seeing them develop and mature into very good A grade players.

A Grade

Looking back on the season we have just had people may perceive myself to have been the cornerstone of the bowling department, but in fact that was not the case. As we all know you bat in partnerships and you certainly bowl in partnerships. That is the exact thing that Eddie, Hughie and Siave did this season.

As this is my 3rd season with Chris, I know his capabilities. Chris, like me, came to the club as a new guy and although his seasons stats are above average he could have performed better. Chris is a guy with natural talent and often just relies on this natural talent and being satisfied with average to above-average performances. With a little bit more hard work on the training track he could go from an above average player to an outstanding player but as I referred to earlier the key word here is fun and it is up to Chris himself as to which road he chooses.

Hugh Norcross was a guy who early on in the pre-season I would not expect to have played A grade cricket. He came across as a person who had the attitude of whatever happens, happens and that A grade cricket was the furthest thing from his mind but to my delight his hard work on the training track paid off. His results in 3rd grade ensured him selection in A grade where after the space of two matches I thought he adapted very well. Towards the end of the season he became one of our best bowlers. He is the perfect example for guys at the club with his work ethic at training and attitude towards his team-mates. I thoroughly enjoyed playing in the same team as him and knowing him as a person and I look forward to spending many more successful days on the field with him at EFCC.

Elliott Lawrie is another guy in a similar mould to Hughie. Ed has a lot of natural ability and I believe the only thing that is holding Ed back from being one of the top 3 or 4 bowlers in this competition is Elliott himself. I have been very impressed with his work ethic this season along with his listening skills and determination. The one thing that lets him down is his self-belief. This is something we will be working on come next season. Elliott will look back on this season and think that 14 wickets is a mediocre season, whereas I disagree and thought that he bowled brilliantly this season and with an ounce of luck could have easily taken 35 wickets.

On the batting side of things, although on the few occasions throughout the season there were some exceptional performances (Siave 111, Jury 101 not out and Georgey 93), I think it is fair to say that as a batting group we underachieved. The reason for this I believe is that we have all been happy with being 20-something/30-something players. Each and every one of us need to take more pride and place more value on our wicket because I believe that in our competition if you bat 75 overs you'll win 90% of the matches. I believe as a coach I can only say so much – mentally it is up to each and every individual in our side.

In finishing I would like to take this opportunity to thank everyone who has welcomed me to the club this season. I look forward to playing, coaching and socialising with everyone next season and in seasons to come.

Under 17's Report

Well another exciting and entertaining season of cricket has passed. Once again I was proud of the way the 17's squad played and conducted themselves throughout the year. Half the guys played in our team last season, with the remainder never playing competitive cricket before. This was quite a challenge.

Some of the guys weren't up with the rules and fielding positions but they adapted quickly. I feel that we may have underachieved slightly, but it was more from a casual state of mind than lack of endeavour. We played our best games against the top teams, going down by only a handful of runs against the best three sides. In these games we were switched on and ready to play, unlike when we played against the lower teams, when the guys just went through the motions and expected to win. In cricket of course we know it takes 100% focus at all times to win. I think the boys realised this at the end of the season, so we'll just put it down as a learning curve and get on with it next year.

All the players from last season improved their skills tremendously and the guys in their first year were just hitting their straps as the season ended. Participation, improvement and enjoyment is the aim of the game and in these areas we starred. Training was fairly good although at times I would have preferred greater numbers to conduct more structured drills. Thanks to our captain Alex Nichols for his efforts this season - being captain isn't easy. It requires skills that take time to perfect and Alex did a great job. I think it actually improved his game and he led from the front - well done!!!

Special thanks to our Team Manager, Viv Lawrie, for his tremendous effort over the two years I've coached the guys. Viv you've been a tower of strength. Not only did you organise everything but when I was out there umpiring you scored and kept an eye on the boys as well. The guys and I are most appreciative. Viv and his wife Jan have been great supporters of E.F.J.C.C over the years, helping out on and off for 16 years as their boys progressed through the ranks. Next season the senior club is so pleased that their youngest son Blake will be joining older brother Elliot at the club.

Thanks also to all the parents who have helped out and supported the players during the season. It means a great deal to the boys to have their parents helping, watching and supporting them. It was also great to have a legend (in his own lunchbox) Darren (Mad-Dog) Muir helping with training and on game days when I was held-up with work commitments. Much appreciated Darren. The guys couldn't believe you were as good as you told them!

I urge the senior club to continue to maintain the close links with the junior club after much work has been done by Mark Holt, Brodie Renouf, Mal Green and myself over the last few years. The current President of the Juniors, Kim King, is a terrific lady who works tirelessly for her club and appreciates the time and effort the seniors have invested into the club. I feel that we can work even more closely in future years.

As a senior club there is no doubt the U17's and the juniors are our future. We must invest in the junior players development or it will be to our detriment. At the start of last season the then President of E.F.J.C.C was approached by Hilton Senior Cricket Club and he formed a junior club with them and took four East Fremantle teams. The entire 15's team from last season went with him and the 17's this year missed out on four very good players. Thankfully Kim stepped in and she has done a tremendous job and the club is in a strong position.

I would also like to thank the guys from the U17's last season who are playing at the senior club today. There is no doubt that it is beneficial maintaining player development and friendships with the guys continuing to play together. Six players from juniors last season made the step up to senior cricket, with three of those playing regularly. Comparing their stats from this season to last year they all improved from their junior days which is tremendous. I was hoping to play some cricket with them myself but time constraints and a pair of shonky knees prevented me.

I wait with excitement and expectation to see the next influx of 17's progress to senior ranks. The U17's from 2005/06 are a great bunch of blokes with terrific character and ability. I wish for them to all stay together and enjoy their cricket. There is no doubt they will be an asset, both on and off the field. It was a pleasure to coach these guys and I look forward to a long and successful association for many years to come. I hope that they get as much enjoyment and satisfaction as I have from the mighty East Fremantle Cricket Club.

The following is a summary of our players from this season:

Sam Brown - Fiesty opening bowler and an up and coming, rapidly improving opening bat. Has the ability to become a top notch all-rounder in senior cricket in the future. Highest score of 38 with the bat and the highest wicket taker in the team this season. Well deserved "E.F.J.C.C U/17's Cricketer of The Year" (Just got to get new sunnies now you're a star - cause your future's so bright). A top guy who will thrive in the environment of senior cricket. Can't wait to see you at our club next season!!!

Tom Davies - The "Tomm-a-hawk" is a handy big hitting bat and under-rated fast bowler who will shine with more overs and opportunities at senior

level. Made vast improvements in his batting - keeping out the good balls and being more wary in shot selection, while punishing the bad balls and disposing them over the boundary. It's been great coaching you over the last couple of years Tom and I hope you'll continue on with the boys next year.

Matt Groom - This guy is a "class player" (could easily develop into a Steve Beattie/Brodie Renouf). A top batsman, (although down a bit on form this year - from his lofty standards). He has a cover drive to die for and concentration personified. Runner-up E.F.J.C.C Cricketer of the year. Top score of 82 this season. A top bowler as well - 63.1 overs, 22 maidens, 9 wickets at the miserly average of 14.11, always bowls on the spot. A born leader who gives 100% every game and a great guy to boot.

Blake Lawrie - Blake's bowling was tremendous. He beat the bat on numerous occasions, deserving far more wickets (the batsmen weren't good enough mate - you'll take a bag full next year). I always knew you could bowl but what really impressed me this season was your improved batting. To your credit you really concentrated on it and I'm sure your top score of 35 which was a great knock will be the tip of the iceberg when it comes to runs in the future. A top team player who gives his all.

Rhys Jaggs - Jaggsy what can I say!!! You fitted into the side perfectly - A well liked team member, you inspired us all with your 110% effort. Your humour and near cult figure status was sensational. Well done on your first year of cricket and hope to see you next season. Cough!!! Cough!!!!

Jesse Maiorana - What a top season Jess - A most consistent year with the bat and a bowling average of 11.3. I was most impressed with your character and conviction by staying at our club when the pressure was on from Hilton who tried hard to get you. The inspirational effort against them when you scored 28 with the bat and took 6/14 with the ball, nearly got us over the line!!! It was great to see the terrific support you received from your parents throughout the season as well. You topped the batting aggregates and won the bowling averages - what more can I say but I hope to see you at the club again next year!!! P.S - Good luck with your footy at South's.

Reece Mouritz - A first year player (younger brother of Joel) still learning the finer points of the game. Batting needs a lot of work but could be a very handy bowler. Had a couple of good efforts with the ball and always gives his all. Best bowling of 2/13 off 5 overs and will improve markedly at senior level next year.

Alex Nichols - Well liked Captain who anchored the batting - opening up and doing his best to get us off to a good start. Averaged 21.29 with the bat. I knew from last season he could bat but it is his bowling that I think improved the most, averaging 17.17 - Moved it both ways a few games and that's a handy skill for any bowler. Also did a great job as wicket-keeper with his

safe hands. Well done on a top job Alex and hopefully we'll see you down playing with the guys next season.

Michael Porter - Played, Went Missing, Played, Went Missing - Still Missing!!!! If anyone sees him can you get him to give me a call???

Tristan Ryan - Trisso played his first year of cricket and showed great potential with bat and ball. With a bit more effort and experience will be a very handy player. Will make steady improvement next season and was a great guy to coach.

Ryan Russell - Ryan's batting and bowling improved greatly this season. Changed his bowling from leggies to offies and then to medium pacers. Showed the best potential with the leggies I feel and should whip the quicker one through a bit more. A top character - a required player next season - Although he did go missing for a while and I thought we'd have to put him in the draft.

Connor Shaw - Soccer player come cricketer in his first season. One of seven players in our team from All Saints College. Deserves to make more runs and gets dirty on himself when dismissed. Was asked for a urine sample by his mates after taking 2/10 with the ball. What are they getting at??? Good stuff Connor I hope you enjoyed the year?

Matt Steer - Another first year player who joined the team late in the season after trying a few clubs closer to home. He gave me a call and we were more than happy to welcome him aboard. Always at training and bowled well in the nets. Matt's game improved each week and although he didn't get many opportunities he starred in the last game with his highest score of 13 (including a boundary - the boy's went wild) and opened the bowling in the second innings and took a well deserved wicket. Top stuff Matty!!! It took me a few weeks to work out his father is a taxi driver - Being dropped off each week by cab I was going to ask him if he wanted me to pick him up on my way through !!!

Thanks for the season guy's - Most enjoyable!!!!

I look forward to seeing the group of young guys from the Senior Club coach the U/17's next year and watch those players stepping up to senior cricket in action from the boundary.

1st Grade Captains Report

The 2005/06 year started in a positive fashion with the club (Reg & Bully mainly) recruiting some A Grade players which indicated the direction they thought the club should be heading in. With some talented players recruited along with approximately eight other East Fremantle players it formed a very balanced and committed side. The pre-season was encouraging with excellent numbers, and with great coaching tips from Brad Oldroyd ordinary players improved through sheer hard work (well done!).

With the side we had I thought we would be in good stead for the fast-approaching season. I wasn't far off the mark, as we went from strength to strength making some good sides open their eyes. At the Christmas break we sat 5th on the ladder with 3 wins and 3 losses including one outright victory. Being in the middle of the ladder was a good position to be in considering what I saw as a good run home against some lower placed teams. As it turned out we finished off the season on a good note, beating SJ Blues which put us in 4th spot, which a lot of people would have thought might be 3 spots higher than expected.

Unfortunately we succumbed to bad batting against Hilton Palmyra in the qualifying final after putting in the best bowling and fielding performance we had all season. As such we surrendered a good chance to go further in our finals campaign (better luck next year boys).

Our excellent bowling and great fielding kept us in nearly every game, but our batting was our downfall on numerous occasions and with a fair few captaining errors we lost some crucial games that in hindsight cost us a better ladder position at the end of the season.

OK, enough doom and gloom! It was a great privilege and pleasure to captain East Fremantle's 1st grade side this season. All East Fremantle members should congratulate themselves for opening their arms and their club to 6-8 new faces including myself (well done and thanks, it made my job a lot easier). Another season has passed and the following players have grown up and together. I can't wait to see what they will achieve next season.

Elliott (Bucket) Lawrie – great bowling and a newly found temper control switch (very unlucky all season)

Hugh (Bong) Norcross – worked hard at training with his bowling and it paid good dividends (these two could still try bowling a slower ball now and again – believe me it does work!)

Paddy (No Bum) Vallenge – made it hard on selection nights with his batting and his great fielding ability

Luke (8 Bums) Jury – always put the team first and batted consistently all season

Andrew Stephen – has a good temperament and good batting skills

Mark (Chicken Man) Dennehy – kept wickets all year and did a fine job (just imagine what you could do if you trained)

Chris (Gasket) Siave – showed how good you are, just have to put it all together in both aspects of your game

Ben (Pickels) Mustard – batted well and trained hard. Make them pay when you are set Ben!

Murray (Muckhole) Dunstan – showed us all how to bat and lots of determination – well done

Craig (Trickle) Cole – added balance in the batting line up and team camaraderie

Treve (Goldie) Brown – showed some powerful batting displays

Andy (Whippet Mute) George - solid batting and great fielding

Brad (Oldie) Oldroyd – great work, best bowler in the competition and a pleasure to captain

Thomas Cook – the character the club needs and our 12th man in the finals (should be more guys like you)

Well done to all the players, we had a good crack and a great time. Some other special mentions:

- To Mark Holt and his 6th grade side for winning both the one-day & two-day flags. Excellent job to Mark and to all the team.
- Well done to all who made 100's and took 5 or more wickets in an innings.
- Thanks to Ann Fairhead for scoring all year and teaching us some manners
- Thanks to the canteen ladies who made great food and showed constant commitment to our club
- Thanks to the committee who have done a fantastic job all season organising functions that were well supported by the club members
- Thanks to the bar staff who did wonders putting up with all sorts till all hours

- Thanks to all our sponsors our season went well so thankyou for your support, we could not have done it without you
- Thanks to Jen and the kids for putting up with all my cricket crap! Love you and thanks.
- Thanks to Reg & Bully for their great work and commitment to 1st grade and the club
- Thanks to Brad Oldroyd for coaching and overseeing cricket matters and taking a senior role in the 1st grade side as well as helping out with voting on our matches. Next season Brad will up the ante in regards to player fitness and I can only hope we reap the rewards of this hard work
- Thanks to Ben Mustard for taking on the Vice-Captains role and also helping to cast votes on matches
- Thanks to Vic & George for being Vic & George (or George & Vic) – your help and friendship has been invaluable
- Thanks to Cameron Brown for balancing the club so well – tremendous job done!

In closing thanks to all again for allowing me to lead your (and now my) club, I'd love to do it again.

3rd Grade Captains Report

One wicket away... that's how close we were to playing off in a grand final in 3rd grade this season, but it would be naive to measure the success of the 3rd grade team on a pure win/loss ratio. My primary role as 3rd grade skipper was to provide form players to the 1st grade side when opportunities arose and to have the players playing a similar brand of cricket so that the transition was not too steep.

We were partly successful in achieving this with no fewer than 8 players promoted from 3rd's to 1st grade with varying degrees of success - put simply the gulf between 3rd grade and 1st grade is simply too large for most players to be able to make the jump and contribute at the level required. It is an issue that our Committee must lobby heavily upon and try to get our 3rd grade into seconds so as to make the transition, though still a large one, not quite as large as it is currently.

Onto the details of the season.... we started well and with a few hiccups aside always looked a good thing to qualify for the finals, which we did in 3rd place, We achieved this on the back of consistent efforts by our batsmen and solid efforts from our bowlers. With 7 matches remaining we added 1 Day A Captain Joel Mouritz to our side as a batsmen/keeper and he was simply outstanding with both and was a revelation to all just how good he is. Our fielding was generally OK but as always dropped catches are costly and with more emphasis on fielding I believe it is an area of our game that we can improve on substantially.

The Players

Andrew Stephen developed in leaps and bounds this season - made his 1st grade debut, hit his maiden century (a superb 105 vs SJ Blues) and tallied 399 runs in thirds for the season at the very good average of 39.90. Andrew is also a very talented footballer with our beloved Sharks and his footy may curtail a burgeoning career as a batsman but I sincerely hope he has time for both because he has a lot to offer and follows in the footsteps of club great and father Peter. After his visit to the bowling crease in the last game I think he should concentrate on his batting!

Steve Rankin opened and batted three all season and returned 399 runs at the healthy average of 30.69. He missed a hundred when tragically dismissed for 99 but already has one to his name and I am sure there are more to come. Steve has been a pleasure to play with and together with Andrew has formed the backbone of the batting this season. Steve needs to work on his fielding, as he is well aware, and is a well respected and popular member of the 3rd grade side.

Nick Macek scored 274 runs at an average of 21.08 and is probably the best fieldsman in our club, he also played 1sts throughout the season. Nick made a top score of 83 not out vs eventual premier Kardinya, is an interesting fellow and good fun to play cricket with. Nick showed marked technical improvement this year and temperament that I did not think he possessed and should make a lot of runs for years to come if he wants to.

Stuart 'Rooboy' Currell had a very interesting season. Indeed his raw stats are good - 263 runs @ 20.23 and 13 wickets @ 15 are more than acceptable for most - sadly Roo lost form at the wrong end of the season and was dropped to 6th grade just before the finals where he had the good fortune to contribute to and earn a premiership. After shaping as a possible 1st grade player at the start Roo has not fulfilled our expectations but has still played some very good cricket as his stats confirm and can go on to achieve more success if he wants to apply himself both at training and in games. Roo is a popular club member who also assisted in getting sponsors on board for the Corporate Cricket Classic which we are very appreciative of.

Scott Knight may have claims for most improved at the club however I feel he can achieve a lot more if he continues to make the commitment he has this season. An 'Oldroyd' prodigy, not many would have predicted 'Knighta' to produce the results he has at this level - 244 runs @ 30.50 and opened the batting for the last part of the season with success and was our leading wicket taker with 23 wickets @ 13.09 - the numbers are good and he has performed very well - but all of us would be happy to see further improvement next season. The heights you can scale Scotty will depend on you. A fantastic team and clubman, Scotty has joined the committee as Secretary and will be a welcome addition at committee level.

Patty Vallence was new to our club this season from South Perth and thanks to Ed, Hughy, Cooky & co. for getting Patty down to EFCC. Patty started with 1 Day A's before promotion to 3rds and ultimately 1st grade - his season in 3rds saw him score 232 runs at an average of 25.78 which was a solid return for a fine strokemaker. Patty is a guy we can shape our batting future on if he is prepared to work hard and temper his natural scoring style particularly when he has got a start. Patty has all the shots, is a very good fieldsman and useful medium pacer. All in all a talent that I hope stays at our club for many, many years.

Joel 'Billy' Mouritz a keeper/batsman who again thanks to Elliott and Hugh we got back to the club this season after a brief flirt a few seasons ago. Billy started the year as captain of 1 Day A's and did a tremendous job for which I am very thankful. On his progression to 3rds he scored 204 runs at a very good average of 40.80 and also took 22 catches in 7 games - a brilliant performance from a very talented cricketer who has the potential to succeed at 1st grade level if he wants to have a crack and see just how good he is - that is up to you Bill. I hope we have seen the start of a long and successful

career at EFCC. (Work hard on your t/t over the winter mate and you may challenge the top echelon).

Cam Youngson was recruited to the club by Mark Holt (cheers Holty) and has been a very handy acquisition both on and off the field. Cam played 1st grade during the season and took 22 wickets @ 18.05 in 3rds bowling mostly hooping outies. He also showed some ability with the bat scoring 97 runs @ 12.13 and generally being a valued and positive team member. 'Youngy' has been a fantastic contributor, is very team orientated and a potential future leader - its been great having Cam at the club and we hope for many successful seasons ahead.

Travis Sprigg also played 1st grade during the season and took 8 wickets there, eventually returning to 3rds where he had the figures of 15 wickets @ 11.53 and also missed a couple of games with injury. For a guy who is still learning the caper 23 wickets in 1sts and seconds is an excellent return and his bowling in the semi-final was simply outstanding. Spriggy can bat a bit too as he displayed with his 34 v Kenwick and he finished with an average in excess of 20. Trav can go on and carve out a very rewarding cricket career if he so chooses - it is all in his court.

Damien Langley - 'Damo' secured 15 wickets @ 17.67 and scored 98 runs @ an average of 14 with the willow. Damo also played 1st grade and is a player of such class that, if his work commitments subside, he could be a 'top notch' performer at 1st grade level. A gentleman with a quick wit, Damo is highly regarded and I hope he has time for cricket at EFCC in the future.

Hugh Norcross took 14 wickets @ 12.29 ave in 3rds before his promotion to 1st grade where he snared 12 wickets @ 20.30. With an overall record of 26 wickets at 16 in the top two sides Hughy was a revelation - a bowler with enormous heart and ability and hopefully we have seen the precursor of a very successful career at EFCC. A very popular club member who together with his great mate Elliott Lawrie have been responsible for the recruiting of numerous cricketers to the club this season - cheers Hughy!

Other notable performances in 3rds this season were from Craig D.Q. Cole who had two innings one of 59 and one of 68, also taking 3/44 in the same match vs SJ Blues. Andrew George scored 100 exactly vs Kenwick which got him back into the 1sts and Treve Brown made 87 upon his return from England. For the record I took 10 wickets @ 8.40 ave and made 65 runs @ 10.83 ave.

The final was the most intense game of cricket I have played in and for us to be given a standing ovation from the Kwinana faithful was testimony to the never say die attitude and quality cricket we played. It was an absolute pleasure to captain these players in this side and I thank them all for their

efforts and commitment. I wish all of the players every success in the future and hope to share in these over a beer at the bar.

See you all in 2006/2007.

6th Grade Captains Report

To say that 6th Grade had a successful year would be an understatement. We achieved the ultimate in winning both the one and two day premierships. It was a mighty team effort by the following 25 players who represented 6th grade during the season, and who all contributed to the team's success (no. of games played represented in brackets):

Mark Holt (17), Gary Moustoukas (16), Rod Dunstan, Vic Kostopoulos, Brett Sprigg (15), Mark Bogensperger, Darren Muir (14), Cam Brown, Paul Faranda (13), John Gallagher, Vic Strnadica (7), Jeremy Skepper (6), John Olczyk, Tom Cook (5), Stuart Currell, Angelo Granato, Jarrad Holt, Kevin Munro, Paul Smedley (3), Oscar Langoulant, Josh Harvey, Andrew Mackenzie (2), Graeme Howard, Wayne Capes (1).

Out of a total seventeen games played we were only defeated once by Phoenix (in Round 3), who were fittingly to be our eventual combatants in the 2 day Grand Final, where we reversed the ledger. You little beauty!!!!!!!!!!

One Day Final Summary

After being undefeated in the one-day qualifiers we met arch rivals Leeming Spartans @ Preston in the Grand Final on 5th Feb. We lost the toss and Leeming batted first. Spriggy & Doggie opened the bowling and at 2/13 we were on top early. Spriggy bowled excellent lines and was rewarded with 3/20 from 7 overs. Bogie also bowled superbly into the wind and finished with 3/30 from 8. At 8/118 the game slipped away from us in the final overs and

Leeming ended up with what I thought was a very competitive total of 8/158 from the allotted 40 overs.

Chasing in a grand final is never easy and this was going to take a special effort to secure the flag. At 1/2, we started a bit shaky although some positive batting from Vic Kostopoulos (10) and Dunno saw the run rate going at about 4 an over in the first 10 overs. Tommy "Cook Dog" Cook played some superb strokes and made a very brisk 18 before being caught. At 3/45 we still had some work to do. Then the dynamic duo came together with Brownie meeting Dunno in the middle.

Brownie played the all-important sheet anchor role and he continually rotated the strike to Dunno who plundered the Leeming attack to all parts of the ground (and river!). Dunno's innings was full of class and he was unfortunately denied a century due to the match having to finish when we passed Leeming's total. He finished unbeaten on 92 and Brownie was also unbeaten on 22. Partnerships are what win matches and this was one (118 unbeaten) that I will long remember. We passed the total with 9 overs to spare, and cruised to a 7 wicket victory in front of an excellent home crowd.

Thanks to all the other grade players who gave us their support in the finals.

Grand Final Summary

The two day Grand final was a see-sawing affair. After losing yet another toss, on day one we had Phoenix in all sorts of trouble at 9/79, only to see a last wicket partnership of 51 (assisted by 3 dropped catches), which enabled them to post a reasonable total (as far as GF's are concerned) of 130. The pick of the bowlers was Bogey (4/28 from 11 overs). The into-the-wind "Preston Specialist" had an excellent final series taking 11 wickets in 3 finals at an average of 6.36. He was well supported by (the 2006/07 rookie umpire) Doggie Muir 2/25 and Roo Boy 2/24.

We went into bat on day one with just over 20 minutes play remaining and at stumps things didn't look rosey at 3/12. Early on day 2 at 4/18 things weren't getting better. Enter Brownie & Dunno. The "dynamic duo" that featured in an unbeaten 118 run partnership to steer us home in the one day final again steadied the ship to recognise a partnership of 80. Dunno made a superb 64, and then the seasoned campaigner in John "Olly" Olczyk put on an unbeaten partnership of 35 with Brownie to secure the flag for the blue & whites. Brownie's effort in both finals was nothing short of outstanding. His concentration and tireless mental application to bat out many overs was truly inspiring, with the opposition failing to take his wicket in either Final. Dunno's 92 not out in the one day final coupled with his 64 in the Grand Final was full off class and power hitting to all parts of the ground. I believe this season will inspire Dunno to bigger and better things, and if he joins the "Oldroyd fitness club", there is no reason why he can't push into A Grade in 2006/07.

Batting and bowling partnerships are what set up and ultimately win games of cricket and it was pleasing to see many fine partnerships throughout the season. The highest batting partnerships for each wicket are summarised below:

Thanks

It is not possible to have a successful team on the field without a successful one off it, and I would like to congratulate and thank the committee for their efforts in 2005/06. The fact that our clubs first 3 grades played finals cricket in our first season back in 1st grade speaks volumes for the work that the committee did, both pre-season and during the season. It takes a lot of voluntary hours to run a club and I know the players appreciate the facilities and entertainment that the club provides. Thanks also to all the ladies who helped run the kitchen. The food was always excellent except for the night when my Mrs served me up a raw chicken strip sub!!

I would like to thank Gary Moustoukas, Cam Brown, Doggie Muir and Vic Strnadica in particular for assisting me on match days. With my Fremantle JCC coaching commitments I was often late to games and Gary looked after the gear and drinks for much of the season. Thanks to Brownie for collecting ball fees on many match days. Thanks also to Bogie for being fines master and ensuring that beers were on hand after a good majority of games. Thanks to Alex Lyon for being 12th man in the Semi and thanks to the rest of the boys who assisted with scoring, boundary markers and umpiring throughout the season. A great team effort!

The Premiership Team

Mark (Holty) Holt – Proud captain who was privileged to lead such a fine group of men.

Darren (Doggie) Muir – Passionate veteran cricketer who always wears his blue and white heart on his sleeve. Very smart bowler who took 27 wickets @ 9.41 with great economy @ 2.29. Could be lost to umpiring in 2006/07 (What an absolute joke!! He will be odds on to pull on the flannels once again!) I just loved some of his text's during the year!! 'Onya Dog.

Victor (Very good player) Kostopoulos – Had an outstanding season scoring 429 runs @ 30.64, including his maiden century. Looked to really relax and thoroughly enjoy his cricket. After being dropped early in the year he fought his way back into the side and never looked back. Plays and loosens up his shoulders better after a night on the juice. Like Frenchie he needs to shave more than just his face!!

John (Chucky) Gallagher – A quiet young man, reliable opener and superb fielder. Fearless competitor who just needs to pick the time of the month at which he tackles the opposite sex?? Enjoyed getting his head shaved after the GF.

Rodney (Rocket) Dunstan – Big game performer who scored 445 runs @ 37.08. and took 16 catches (dropped a few too!!!) as keeper. Teamed with his mate Brownie to record match-winning partnerships in both grand finals (Inspiring stuff). What a champ...he is destined and hungry for higher duties in 2006/07.

Cameron (Browndog) Brown – It's not the size of the dog in the fight, it's the size of the fight in the dog, and does this boy know how to fight when his back is against the wall. Another who got relegated early but fought his way back into 6's to play significant roles in both Grand finals. Just a rock at No.3 where his mental above shoulder strength in the big games was instrumental in winning 2 flags. Gets right behind every ball and concentrates like there's no tomorrow. Many players at this level don't know how to bat 75 overs....not C. Brown.

Stuart (Roo Boy) Currell – After being relegated from 3rds, he took it on the chin and was rewarded with his first 2 day premiership medallion. Took 2/24 in the GF. Bowls with good pace, and loves a party or two.

John (Olly) Olczyk – Another veteran who made a late start to the season but was always an automatic choice for mine when the whips were cracking at finals time. A champion player who had a great knock in the GF and still hits the deck hard with his bowling off the short run. Beat the bat countless

times in his 9 overs (for only 8 runs) in the GF. Enjoyed the after match partying.

Mark (Bogie or Bosey) Bogensperger – Fiery Medium fast bowler who relished the pressure of finals where he took 11 wickets @ 6.36 (in 3 finals). His prodigious swing from the river end at Preston bamboozled many batsmen. 25 wkts for the season @ 12.96. His love/hate relationship with Doggie was always entertaining. Great competitor.

Gary (Mushy/Krusty) Moustoukas - Without doubt the best spinner in the competition. Outstanding season where he took 36 wickets @ 10.14. Gaz also scored 136 runs @ 22.7 with the bat, only to prove more than handy in the lower order. Has a handy knack of performing a "Harry Houdini" during premiership celebrations. Ya gotta love spinners who actually enjoy bowling into the wind. You are a captains dream Krusty. Too young to retire!

Brett (Spriggy) Sprigg – Two seasons of senior cricket = 4 premiership medallions. A great young lad who is keen as mustard about his cricket. Continues to learn his craft and had a great season taking 19 wickets @ 17.68. The batting is a worry and ditto with the fielding. Gave the skipper \$55 and asked for \$50 change when paying his ball fees!!!!??

Paul (Verandah) Faranda – Perhaps could be considered unlucky not to be picked in the final 11, but took it on the chin and admirably performed the 12th man duties in the GF. Scored 282 runs @ 20.1, and was a valuable member of the one day premiership team.

I would also like to pay a special mention to **Vic (Gout) Strnadica** who was a big part of the team for most of the season (scoring 153 runs @ 25.5) but was unfortunate (or unfit!!) in pulling a calf muscle late in the season. Unselfishly declared himself unavailable for finals selection, when his injury was possibly healed.

Overall we had a memorable season. Congratulations and thanks to one and all.

One Day A Captains Report

The SMCA One Day Division is perplexing as far as lower grades are concerned. While most clubs use this grade as a way of developing younger or inexperienced players, others decide to stack their teams with highly talented cricketers. Although we might ponder the rationale behind such decisions, it does make for some interesting results.

With the departure of the Booze Hags last season, and the inclusion of five East Fremantle teams in the SMCA, this was always going to be a challenging year for the One Day A side. We failed to find consistency with the bat (142 runs/game), ball (7 wickets/game at 5.70 runs/over), team (46 players capped), and a 5-16 record reflected our difficult season.

Despite the team not making finals, there were numerous positives to be drawn from the season. A number of sensational players started their season in the one day competition. Cook Dog (Thomas Cook) opened the batting and the bowling from the first game, and it was only a matter of time before he disappeared to the second XI. His enthusiasm and hard work will surely see him play top grade cricket next season.

I initially laughed when Paddo (Patrick Vallence) turned up for the second game and suggested he should open the bowling and batting with Cook Dog. I quickly realised this guy was a talent. A confident bat and handy bowler, he has the temperament to be successful in the highest level.

Billy (Joel Mouritz) is another player to commit to your memory banks. A solid top order batsman, this guy has a great disposition and will have a solid career at East Fremantle. And don't forget young spinner Macka (Andrew Mackenzie). Although he struggled to push up the grades this season (with the club's strong bowling stocks), most believe next year will be his opportunity to show his talents at a higher level.

I hope the coaching staff will take Mud Butt (Cameron Bowden) early next season and work on removing the slight imperfections in his batting technique. A laconic opener, I honestly believe this guy is a naturally gifted cricketer who can play higher level cricket. He was notorious for getting good starts this season, and I'm surprised he hasn't posted more half centuries. Meanwhile, Mossy (Angelo Granato) has had another fine season with the ball. It's a shame work commitments don't allow him to play two day cricket, because he could easily have a 30+ wicket season up the grades.

The "old" brigade of Wobbler (Kevin Munro), Howie (Graeme Howard) and Shorter (Michael Shorter) have provided the level heads needed to get the side through the season, while Rosie (Derek Rose) and Nugget (Liam Keating) provided the light entertainment.

Well done to Billy, Wobbler, Mossy and Ishchenko for taking on the captaincy at various times of the season.

One Day C Captain's Report

The past season was one of many ups and downs for the One Day C team. The team started the season well under the leadership of Maggot and the Booze Hags but they only played a few games. That was when a lot of new blood was found for the club, with quite a few of the younger guys such as Nick Lovering, Mike Jolly and Ethan Savage stepping up into their first season of senior cricket.

Along with club veterans such as Fridge and well Fridge, plus a sprinkling of players in their first season at the club (ie. the rest of the team), the team lost the next 5 or 6 games after winning the first 3. It looked like it would be a slide down the ladder, but the boys arrested the slump and we went on winning and losing alternately for a few more games before realising towards the end of the season that to make the finals we had to win 4 of the last 5 games.

Well, we didn't get that finals spot and with some interesting on-field situations (such as our rivalry with Maddington, or maybe that was just me) we just missed out by about 11 points. We did have a strong finish to the season and we did have a lot of players in the top 20 of the batting and bowling stats for the grade. All credit must go to Ben Campbell for almost taking out the association fairest & best for the grade along with our club fairest and best for One Day C's. Congratulations also to Joel Ward for finishing runner up to Ben in the clubs vote count.

It was good to see the energy and commitment to cricket from the guys in our team even when things weren't going our way. With a season behind us I think there will be success for the players both on a personal level and as a team. There is a lot of talent in the club and with the young guys coming through hopefully we can hang on to them and help them develop as cricketers and fulfil their potential, because I'm sure that some of these players will be pushing up the grades next season.

Chucky drenched in blood
after a night out

Other memorable moments:

- Vic Strnadica becoming possibly the first player to pull up a chair at the food table during a teabreak (he had not had breakfast or lunch)
- Rocket's one day final – 3 dropped catches, an overthrow from a caught behind appeal thrown in the air, a collision with a teammate running towards fine leg, followed by a match-winning 92 not out including the winning runs with a six over the fence!
- While watching a match at Preston Point, Liam 'Nugget' Keating asked, "do you have to use a bat when you bat?"
- Billy Mouritz locked his keys in his car along with the new ball at Gwynne Park so the One Day A side and had to bowl with a 'Red King' ball on loan from Armadale
- Brett Sprigg – so many they have to be listed:
 - Trying to catch the ball with his head in the Twenty20 fixture v Cockburn
 - Giving Brad Oldroyd a foot massage during the pre-season match
 - Being 45 minutes late for his first district match because he slept in
 - After being asked to pad up at training, he was told to bat in the furthest of the two nets which were in use – so he went and took guard in the furthest net from where he was, which was not being used and as such had no bowlers in it
 - Giving Holty \$55 for ball fees and asking Holty to give him \$50 change

- After playing in a district match at Joondalup until midday and being due at Fremantle Park at 1pm for his 6th grade match, he went home to Bibra Lake to have lunch first, finally arriving at Freo Park at 1:45pm
- With only 10 players at the ground at 5:55pm on the first day of a match and with the 9th wicket having been taken, Spriggy voluntarily told the umpire his side was one player short! Luckily the umpire did not enforce the innings closure
- While Chase the Ace tickets were being sold one night, Spriggy said "I bought my ticket weeks ago, what happened to it?"
- After driving his car up the long driveway to the clubrooms at Fremantle Park, Spriggy asked Brownny "Do I have to reverse my car all the way back down the driveway when I leave?"
- Shanks:
 - After being asked how long he plans on staying at EFCC, Shanks replied "I'm here to stay, I'm a one-club man"
 - After opening the innings late on Saturday afternoon with Luke Jury and Andy George, Shanks declared on the following Thursday that he might open with Jury & Ben Mustard in the same match the following Saturday! When told this was not possible as the innings had already commenced, Shanks replied "But Georgey hasn't faced a ball yet"
