President's Report

I would like to begin by congratulating our only premierships captain PC and his 3B's players on winning the one day flag. Unfortunately the boys were unable to bring home the two day flag. Better luck next season. To PC in his 2nd season captain it was an excellent season overall, considering this was the grade the club thought would struggle. Well done PC!

With the success of only one side the club found it very difficult to attract players back to the club for match reports this season. We decided to go with only 4 sides due to a lack of consistent numbers throughout the previous season, along with some players deciding to play with other clubs and some that were still travelling overseas. This naturally affected our depth and in turn our off field success which we are so accustomed to and which has seen us become the envy of so many other clubs in the competition. Apart from 3B's, the other 3 grades struggled to find any consistency, and therefore were on the wrong end of the win/loss ratio. Having more losses than wins will always make it difficult to entice players back to the club for match reports and social functions. To those who were always regulars back to these events I thank you and know that without your contributions we would have been a lot worse off.

On a more positive note, next season the club will welcome back the return of the "Booze Hags". As most would realise, this team offers the club a tremendous amount of success both on and off the field. I can only stress that our top grades are our 1st priority if the club is to go forward.

On an even brighter note, of the few social functions we had, the standout was definitely the Team of the Century Dinner. The night was a tremendous success, mainly due to the monumental effort that was put in by Cameron Brown. I cannot give this guy enough accolades for the time and effort that he put in to help me set up the night. The history book itself is of outstanding quality, and to see what went into it, one could only imagine. There was an enormous amount of research that Cameron had to do, from gathering statistics and memorabilia to sifting through old score books (with the help of some committee members I must add) in getting names, addresses and contact numbers to send invitations out. There were some other members who helped put the night together, I won't mention their names as they know who they are; I would like to thank you. And most importantly the players that firstly made the 22 man squad, and those who ultimately made "The Team of the Century". Congratulations!

I would like to thank my wife Vanessa and her sister Nat (Chop's wife for those that didn't realise...Bully) for doing the kitchen and to all those that gave them a hand. To Vanessa and Nat again for their efforts in cleaning the club as well. We needed to get the wives and girlfriends involved in the club more and they have now formed a ladies committee of about 9

to help the club raise funds through social functions. They will also help do the kitchen and cleaning on a rotational system to alleviate the work load on just the few. Welcome aboard ladies and I have no doubt that the new committee will give you their full support.

It has been well overdue that we spend some more time with our juniors who seem to be growing in teams and numbers every year. Chop is our Junior Development Officer and has been doing his best to keep in close contact with the 17's in particular. Chop and I recently attended the junior windup at Stevens Reserve and were well received as representatives from the senior club. So much so, that they announced that Paul will be the 17's coach for the following season, and asked him to help in presenting the 17's trophies. Congratulations Chop. It is imperative that we have a close relationship with our juniors and do what is necessary to secure that relationship and entice juniors to play senior cricket at our club.

As always we have already had an A.G.M. and I would like to welcome two new committee members in John Olczyk (social) and Alex Lyon (fundraising). Both will be great acquisitions to an already hard working and reliable committee.

To Brent Fairhead who took on the Captain/Coach's role this season and found out for the first time in this role how difficult it can be. With a bit of luck in some of the closer games and an oversight in the Cockburn game playing the "Pom" unregistered, things could have been a lot different. Thanks heaps Bull for taking on this role on such short notice.

I'd like to thank Chopper for his efforts as Chairman of Selectors. This was Chop's first go at the job and I'm sure he didn't think it would be as difficult as it was. I know Chop is interested in taking on the job again next season if the committee wants him to. We look forward to your contributions next season Chop.

To Vic and Boges for doing the bar this season. I thank you, as there was no-one else and you guys both realised how important it was to have reliable people running the bar.

I am quietly confident that we can improve dramatically from the season just gone and look forward to turning it around. But we need all our members to stick together and help recruit players from far and beyond if we are to be a force in this competition.

I'd like to finish by congratulating all the trophy winners tonight and thank everyone who has turned up tonight. Enjoy the night and we'll see you all again next season.

George Strnadica

Coach's Report

The committee met after last season and decided the club needed a change in the coaching department. Reg was appointed Coach with Chopper the Chairman of Selectors. Unfortunately, Reg couldn't commit to the job and I soon found myself taking training in the pre-season. Numbers were down on last year and we decided to field only 4 teams, which was definitely the correct decision!

I was then asked by the committee to take on the job; and without any experience in this role, I dived in head first! We struggled for numbers at training in the pre-season, which doesn't surprise too many. Once the season got under way there were some reasonable numbers on the track and we were able to get into quality fielding drills. As I mention in my captain's report, Whitey and Kiwi were a great help prior to Xmas with these fielding drills and passed on their experience.

However, the quality of training and the attendance slipped considerably after Xmas. A number of players had work commitments and couldn't train at all. Others missed training spasmodically and this made it hard to separate the top-side squad. Unfortunately, we were unable to penalise players for not training due to our lack of depth. This led to the mentality that missing training was acceptable and our on-field performances reflected this.

Chopper was a huge help this year (as he is every year!) organising the nets on a Thursday and all the equipment. He & I struggled through every selection night making numerous phone calls to check the availability of players and piecing the sides together. Thanks for your help Chop and I am sure with the plans we are putting in place with the juniors, selection will become easier!

It is not an easy job and the players probably got sick of hearing my voice down the club this year. I believe we need to separate the role of coach and top-side captain. This would enhance any messages that are being put across and get more out of the players.

While it was tough and challenging, it was still an enjoyable year with some good signs for the future. The emergence and improvement of some of our younger cricketers was great to see. For these guys like Eddy, Josh, Hugh, Olaf, Mossy, Myles and Beaker to get experience in the top side is a good experience. We need to retain these players and develop more juniors to replace the ageing stalwarts that had to grace the 2A field this

year. It was also a magnificent effort for the 3Bs to win the one-day final and make the 2-day final. Well done to PC and the boys – you have made it a successful year!!

I learnt a lot about coaching the game this year and will be better for the experience. I would like to thank each and every player for the year and wish you the best in your cricket. I would also like to thank the committee, in particular George for his support. I will not be coaching again next year but will be endeavouring to find a replacement that has the time and experience to take this club to where it should be.

Thanks again

Brent Fairhead

2A's Captain's Report

The 2003/04 year can only be described as one of the toughest the club has encountered in the time I have been involved. It was disappointing to finish last in 1st Grade last year and be relegated to 2A's again after all our hard work getting into 1st Grade. We then lost some of the key players from last year in Steve Beatty, Cam Duffy and Grant Woodhead. While this was a setback, we still had an array of talent and were confident that we could be more than competitive in the 2A competition. We had recruited 2 players that had played 1st Grade for Armadale; however one didn't play a game and the other only a handful. We were behind the 8-ball from the start, but I believed if we could get through the early rounds with a couple of wins, we could be successful.

Our batting struggled early in the season with the top order sadly out of nick as we lost early wickets and failed to build partnerships. A combination of poor shot selection and losses in concentration resulted in the middle and lower order having to salvage bad starts. At the halfway mark, we were 3 wins from 7 games and still in with a chance if we could improve and win the close games.

Then the Xmas break gave us a couple of weeks to think about our season and also resulted in us losing 2 of our most experienced players in Whitey and Kiwi. It was disappointing to lose these blokes who had contributed not only on the field but also at training with their fielding drills. It was at this point that I decided to blood a few younger guys (and a few seasoned veterans) to see if we could turn the season around. We lost our next 3 games to SJ Blues, Roleystone and Kardinya which hurt our finals aspirations.

We then won against Cockburn and Maddington to reignite our chances and at this time we had the strong belief and team spirit that had been missing. With Josh and Eddy opening the bowling and Benny Mustard back in the side, we looked and performed a lot better. Unfortunately, the loss to Leeming by 7 runs when we failed to defend 261 hurt us badly. We dropped one guy 5 times and he went on the make a ton. This was hard to take and we finished the season a disappointing 5th.

This result is nowhere near good enough considering the players we had available during the year. Sure, certain things didn't go our way at times, but no excuses can be made. I for one didn't perform with the bat and learnt from a few mistakes with my captaincy. Other players weren't consistent enough with the bat and we dropped chances at crucial times in matches we should have won. We also lost key performers halfway through the year that destabilised the side.

We can however take a number of positives out of the season, which holds us in good stead for next year:

- Josh Rivers showed massive improvement to be elevated from the lower grades and ended up joint leading wicket-taker for our side with 19. Josh, with a bit more coaching & guidance, you'll become a strike bowler for the club in years to come.
- As will his opening bowling partner, Elliott Lawrie. Eddy was in NZ for the start of the season and came into the side just prior to Xmas and ended up

taking the new ball for the top side. He is a raw 18 year old and was too good for a number of top order players in this comp. Look forward to seeing you bowl well for the club next year Ed.

- Treve came back from the UK and made 2 great 100's for the side this year and while he has expressed disappointment with his season, he made a huge difference when joining the side in round 4. Hope to put a few big partnerships on with you next year Brown.
- Mr C.D.Q. Cole tried his guts out for me this year, making 281 runs and taking 19 wickets. He trains hard and has enormous talent. If Mr C.D.Q. Cole can maintain his concentration and improve his consistency, he will hurt a lot of teams with bat and ball.
- Butters joined us from Melbourne and was a great addition to the side and the club. His safe hands, generous nature at the cards table and strong lower order hitting were appreciated by all. Hope to see you back next year Butts.
- Benny Mustard came back from a knee recon to add some strength to the top order. Thanks Benny, it will be great to get a full season out of you next year.
- Matty & Kiwi – your assistance in the 1st half of the year on the field and at training was much appreciated. You are valuable members of our club and we want you guys back next year to pass on your experience and help win that elusive premiership.
- Olly is going on 40 and when I asked him to step up and play in the top side to add some experience, he made himself available. Not only that, he tried his guts out and produced some brilliant spells of bowling as well as solid lower order batting. Thanks Ol.
- Reg and Holty, thanks for your help this year, adding experience to our side and helping out our young blokes.
- Well done to other blokes who made debuts this year
 - Mossy
 - Hugh
 - Beaker
 - Olaf
 - Myles
 - Bealey

You blokes are all much improved players and better for the experience – we need you next year pushing for a spot in the top side again!

Thanks to those who helped me throughout the year – it can and will get better from here. We need a committed bunch of blokes next year with a common goal of 'success on the field'. We have a lot to prove to each other and the other teams that beat us this year. If we can train hard and be successful on the field, the rest will take care of itself. I look forward to being a part of this successful club with you all next year.

2B's Captain's Report

The 2003/04 season was not a good season for 2B's. There were many factors contributing to this, mainly a lack of commitment and application at the club on the field this season. In many of the games we had 10 players or we were topped up by players that were not up to that level of cricket. No disrespect to the guys that helped out – it was much appreciated. However I think the club needs to get more out of its top level players in the future otherwise the club will never improve.

There were a few positives for the season, including the huge improvement of Andrew Summerfield who was a shining light with the bat and should have had more opportunities in the top side. Alex Lyon is a young guy who has the right attitude, which helped him at 2B's level. Congratulations to Alex on winning the bowling trophies – well done. With more improvement next year and with the willingness to listen and learn that he showed this year, he could play higher grades after playing 6th grade last season. I would also like to thank Vic Kostopolous, Cam Brown and Myles Pedersen for their support, it was a tough year but these guys always gave 100%.

After only winning 3 games the highlights were scarce, but Andrew's 50 against Thornlie was a very good innings, while the wins against Willetton, Phoenix and Armadale were fantastic because we looked gone in all games. Craig Fairhead's 100 in the second innings of the last game was a very good controlled innings. With a lot more commitment from Craig he could be a very good player.

Thanks to all players that played 2B's this season and all the best for the season ahead.

3B's Captains Report

The 3B's season got off to a flying start with 3 losses from the first 3 games. The 3rd loss was an outright loss to SJ Blues that put us on the bottom of the ladder. A lot of inexperienced players started in that side and for those players that stuck around the rewards would come.

In the fourth game of the year we welcomed Kevin Munro, Phil Swift and Brett Hopkinson into the side against Riverton-Rostrata. After being bowled out for 128 we dismissed them for 101 for our first win which began the turnaround. From there we dropped just one one-day match and earned the right to host the one-day final, in which we comprehensively defeated Maddington by 4:30p.m.

In the final 3 two-day games we lost 2 and won 1. Finishing fourth was a great effort for a side that sat on the bottom of the ladder after 3 games. Playing Maddington in the semi-final we batted first and made 239 on the first day. The effort the boys put in on the Sunday in 41 degree heat was nothing short of sensational to get us through to the grand final. Notable performances were Steve Rankin (51), Middo (48) and Hoppy (42 & 6/71).

The two-day final was one I'd rather forget but the efforts the boys put in to get there were sensational. From bottom of the ladder to winning the one-day flag and making the 2-day grand final speaks volumes about the guys and I thank them for that.

On individual performances 2 new guys to the club, in my mind, stand out. They are Steve Rankin who hit over 380 runs and Jeremy Skepper who took 32 wickets and made over 250 runs. Both were outstanding efforts in their first year at the club. Kevin Munro with over 450 runs was the standout with the bat. With the ball I could always rely on Hoppy and Mushy for long spells which made my job easier.

On a personal note I would like to thank all the players who played 3B's at any stage during the season. I would also like to thank Phil Swift, Kevin Munro, Steve Kelly and Jon Middleton for their experience. A captain can't see everything on the field so having these guys helped no end. Thankyou also to Chopper for his support and a job well done as Chairman of Selectors.

See you all next season.

6A's Captain's Report

Once again a challenging but enjoyable year is over. Our side struggled on occasions but we also had some good wins along with unfortunately many close losses which cost us dearly. The important thing is that the players learn from these experiences and become better cricketers for it in the future.

Getting a regular side together was a drama with 43 players lining up over the season. One week there was a total of seven changes to the team. All in all though there was a core of about seven players who played regularly giving their all and most of all enjoying themselves and having a laugh with their mates. My thanks to Howie and the others who helped out when I was not available to skipper. The season for me had many highlights. I thought I would write a few notes on some of the guys.

Paul Faranda - An emerging opening batsman who has the ability to get a decent score or fail (there's nothing in between - but that's what happens when you open). Forged a good partnership with "The Silver Fox" and would have scored even more runs if he opened with someone who could run between wickets. It was a pleasure to see Paul get his first half century this year and I'm sure there will be many more in future years up the grades.

Eric Sarich - "The Silver Fox" - His best is still to come!!! Like an old Holden he just keeps on going!!! A bit of work to do in the fielding department but an average of over 20 as an opener can't be sneezed at and next year that will improve I'm sure. Only played in 8 games so the average could have risen?

Mick Shorter - A staunch number 3. Scored over 250 runs in 11 digs. Sadly missed when moved up the grades. Every time I wanted him to bowl he wasn't playing in our side!!! Tasted finals action with the 3rd's. Hit a magnificent 57 against Forrestdale. Hope to see Mick back next year as he's a great character to have around the club.

John Ziolkowski - Dual Fairest and Best winner. Has the temperament to go onto bigger and better things, especially with his batting. I can't wait to see "Z - Man" play two day cricket as I think he will excel and enjoy the game even more than he does now. If he can work on his bowling consistency then he will be one of the best allrounders at the club. Bowled some magnificent deliveries with a season best of 5/41(needs to work on the leggies and develop a clit ball). Needs to find a girl for his mate "A.J".

Graeme Howard - Great to have the big fella playing in our side. We'd be lost without him. Had a top year!!! Consistently our highest run scorer (3 fifty-pack patel's) and the spinners were coming out a treat with 22 wickets(scooby-snacks). A real team man. Didn't give himself any votes when he was captain

(Mad Dog told him that's the thing to do). Howie must remember that when you're captain you have to tell someone to put on the keeping pads before you go out to field!!! He's still getting use to the ways of the world in 6th grade (Late starts, dropped catches, low scores and poor bowling). Hopefully next season he can get the bro playing a few more games (Greg averaged 19 with the bat and 12.46 with the ball. What a handy twin-pack patel).

Aaron Da Silva - The "Prince of Portugal" had a top year. A highest score of 79 against Roleystone was one of the best innings I have seen. He showed us what he is capable of. The "Prince of Poojab" also took a heap of scalps and was our highest wicket taker. "Fig Jam" just needs to work on consistency with his bowling. Once he can eliminate the wide balls his bowling figures will look much better. There is no doubting "AJ's" ability and although he thinks I'm a bit hard on him it's only because there is a big gap between his best and worst. I think once he has a woman in his life everything will sort itself out!!!

Greg Taylor - An aggressive batsman who likes to headbutt the ball!!! Never shy's away from a challenge. Hit a magnificent 61 one dig (I knew he had a fifty in him). Greg's bowling also came on in leaps and bounds. His wicket keeping also showed signs of brilliance. Greg's a top bloke but I wish he could find a bird for "A.J".

Paul Taylor - The big improver with the bat this year after eating too much ice-cream last year. Batted down the order and found it a bit more comfortable. Needs to show his brother how to block!!! Took 3 wickets from 6 overs (obviously under bowled by the skipper). Still the best trainer at the club. If Paul's not batting in the nets you'll find him working on his catching, running laps or bowling bouncers. Maybe Paul's Mrs knows someone for "Fig Jam".

Kelvin Gray - Sometimes "rubbed me up" the wrong way but everyone needs a "Fridge". Always gives 100%. The fridge/freezer's batting improved this year and he was handy with the ball when required. One game Fridge was bowling so well I kept him on and he said, "But Chop I've never bowled for this long before!!!" I think Fridge and the "Prince of Poojab" could join forces and look for a chick together.

Brad Fisher - "Whipping Wanda" has heaps of talent with the ball and is a handy pinch-hitter with the bat. A late start to the season (he was looking for a girlfriend for "The Prince of Portugal") prevented us from seeing the best of "The Fish Called Wanda". Just as he was getting into it the season was over!!!

Mick Curven - A top cricketer who would lose all of his strength if his beard was shaved off !!! Maybe Aaron Da Silva should grow a beard?

Lost:

"Superstar Virgo" - At the horse track

"Ishcenko" - With the "Mad Dog"

"Rivers of Babylon" - Too good a cricketer for us. We could have done with you this year Josh!!!

"Crossy" - Played one game and never came back. Still looking for the "Little Boy's Room"

I tried something different this year and had a go at Chairman of Selectors. Very challenging to say the least. I was very pleased with the way Josh Rivers, Alex Lyon and Elliott Lawrie rose to the occasion. Maybe next year I will be better for the experience and the job will be easier (I can only hope).

Thanks for a rewarding year. I look forward to seeing everyone again next year. Well done P.C and the boys on a great season. Special mention to "Browndog" for his great efforts this year, topped off beautifully with a tremendous night at the "Team of the Century". Thanks also to my wife Nat for her help this year and for supporting me in my love for the club. Enjoy the footy season.

Cheers

Some other tales...

- Bogie having a hot cooked dinner brought down to training for him
- When captaining 6A's at Gosnells, Graeme Howard led his side out onto the field...when asked who the keeper was by a fellow player, Howie's reply – "Shit, I forgot about that!"
- Batting in a 2A's match against Roleystone, Neil Thurgood played what should have been a regulation defensive push towards cover. What was not regulation, however, was Mr Thurgood remarkably falling on his stomach and knocking over all 3 stumps in the process of playing the shot! Having rejoined his teammates in the hut, he subsequently advised them to wear spikes when going out to bat! This comment even prompted the previously silent Mark Dennehy to inform Mr Thurgood that you are not allowed to!
- David 'The Cat' Vass asked George to borrow a pen one night at the bar. When asked why he needed a pen, The Cat replied "I need to sign my new bank card so the A.T.M. machine will accept it!"
