President's Report

2006-2007 has been a season of consolidation for us both on and off the field, with many highlights. Our 5th grade side secured yet another flag in their one day competition and One Day A's captured a memorable premiership in front of a healthy crowd at our beloved Preston Point.

Off the field we have finished the season with another healthy surplus financially and are ideally placed to further strengthen our position as a pacesetter in the SMCA.

Thankyou to all who contributed and supported our club during the season - I am personally extremely thankful for the efforts of our hard working committee who have once again ensured the smooth running of the club.

Particular thanks to Darren 'Doggie' Muir for taking on the onerous task of chairman of selectors, a thankless and demanding role which he has completed with aplomb. Thanks also to Andrew Stephen who assisted Scott Knight in the kitchen and behind the bar and to everyone else who volunteered their time to assist where needed.

We owe a large debt to Brent 'Bully' Fairhead who, with the support of everyone that chased sponsors, ensured a very successful sponsorship campaign which culminated in one of our most successful seasons ever in this crucial portfolio. Thanks also Bull for taking on the seconds captaincy before your run-making and athletic fielding skills were required in 1st grade. Cam Youngson stepped into the breach and performed admirably as a stand in skipper of twos.

Captaincy is rarely an easy task and I believe our skippers have lead our players with commitment and by example and deserve praise for the manner in which they have fulfilled their task. So well done to Shanks, Bully, Youngy, Holty, Doggie, Vic Strnadica and Fridge on your captaincy duties.

Cam Brown (Treasurer) and Scott Knight (Secretary) have both been exemplary in their respective roles and in many others and I thank both for their commitment to the club and professionalism in carrying out their duties.

Our 1st grade finished the season in 2nd place on the ladder and although they unfortunately lost the 1st final and were eliminated, they played outstanding cricket for the most part, trained hard, improved and developed as the season progressed. Our coach Brad Oldroyd must take a lot of credit for this. Brad has never perhaps been comfortable in the role as coach but I feel he developed as the season went on and by the conclusion was coaching brilliantly. He also once again had an outstanding season individually and this was recognised by the association with Oldy taking out the Jim McKenna medal for the most outstanding cricketer in 1st grade, for the second time in three years.

It has been a long time since a player from East Fremantle has won the 1st grade association batting average (Marty Rodrigues in 1992/93) but this year a new player to our club in Greg Beresi won the award with 381 runs at an average in excess of

62. Well done 'Beres' on a fantastic achievement and we look forward to many more years watching you dominate attacks in the famous 'baggy blue'.

Once again the AGM was well supported by you the members and a new committee was elected with Hugh Norcross, Andrew Stephen & Kelvin Gray elected for the first time. Welcome to the committee lads and with the majority of last seasons members staying on, I am confident we have a strong and committed group to lead us into next season.

Well done to all trophy recipients and thanks to all those who attended our windup and contributed to our great club throughout the season. Roll 'em bowl 'em and I look forward to seeing you all at Preston Point next season.

Justin Varney

President

Coach's Report

The 2006/2007 season has come and gone. I will look back on this season with mixed feelings consisting of good, bad and what could have been!

The influx of new players was a welcomed asset especially for the 1st Grade. I would like to start with thanking a few people.

To Fridge and the One-day D's, thanks guys for your efforts. A special mention to Fridge who has been tremendous this season. The headaches of getting a side on the park, week-in and week-out, must have drove him to the brink of insanity but in true Fridge style he came through with flying colours. I am sure the inconsistency of a regular team not being fielded each week caused the side to be hit-and-miss – better luck next season Fridge. Thanks for your efforts and I look forward to seeing you at the helm next year.

To Doggy and the One-Day A's. Congratulations on winning the premiership this season – a great effort! One of the highlights of the season was watching the Grand Final and seeing the 'Dog' back-up why in fact he is a 2-time club champion, a 450 plus wicket taker for the club, with a match winning 6/15 in the Grand Final – well done Dog!

I would also like to thank Darren for his support of the A Grade and to myself and Shanks. Also I commend him on his great job in doing the Chairman of Selectors role. Dog, I look forward to us continuing our at-times intimate relationship next season – thanks Dog, you legend!

To Holty and the 5ths, well done in earning another pennant, this time in the 1-day competition. With a bit of luck the guys could have taken the 2-day flag. It was great to see some young kids develop in 5ths this year – well done guys! I am sure next season with those young fellas having a season under them, combined with the regular old salty seadogs that are in the side, they will be a formidable side.

The 2nd Grade would consider their season as one where they missed a big opportunity to take the premiership. At Christmas they were 'looking the goods' but after the break it all went downhill, I think mainly due to complacency and a lack of attendance at training. Campbell Youngson as captain had a stellar season and did well as captain but after many requests by himself for the players to attend training it fell on 'deaf ears'. It is something hopefully this group can learn from and correct for next season. There were patches of form shown by John Brown, Stevo and Paddy Lindorff. Hugh Norcross was exceptional but unfortunately injury struck him down. Cam Brown was adequate at times and found himself in 1st Grade for a game but unfortunately for Cam, for reasons only known to himself, the wheels fell off after that. Better luck next season fellas!

The 1st Grade had two goals this season. The first was to finish the home and away season higher than last year's fourth, which we did finishing a very respectable second. A great win versus Hilton in the last game before Christmas saw Ben

Mustard bring up his maiden 1st grade hundred, but unfortunately we undid all that after the break against S.J. Blues. With the possibility of the season slipping away, we had a group chat and were told a few home truths which kick-started us again with a good chase against Kardinya (mainly thanks to Shanks). We won that match and then in the final 3 games posted over 300 in each game against Kwinana, CBD and Armadale.

This brings me to our second goal, which we failed in, and that was to win a final. Losing to Hilton for the second consecutive year and with other games not falling our way, we were eliminated after the first week of the finals. There's no reason to go into the game at all, just to be rest assured that we as a group have spoken about it and are shattered by the loss. But the wheels are in motion to correct our errors and I can guarantee we will come back stronger next season.

Two new guys that came to the club this season were Craig Stewart and Greg Beresi. Stewie, or Disco as we call him, had a fair season which probably lacked some opportunity. I am sure with some work next season and a season now under his belt, the 'Disco' will be a force to be reckoned with.

Greg Beresi's first game produced 49 and he looked like what we needed at number 3, but unfortunately Greg broke an ankle (Cheers Paddy!) which saw him miss half the season. To his credit he came back and blitzed the opposition bowlers to finish up winning the Association average. Well done Ronny!

Both guys settled well into the team nicely and are both very well liked by everyone. I look forward to seeing both of them blossom next season.

I would like to mention the special effort of Tim Baines at the tope of the order – well done Timmy on your consistent season! Let's turn those 40's into bigger ones (play the 'V' Man).

Well done to Bully for making it back to 1st Grade – get that knee right Zimmer!

Also to Luke Jury on finishing the season well including two 100's and a 95. Well done also Luke on wicket-keeping this season, a big year awaits next season.

I would also like to make mention of how Ben Mustard has transformed his game this season. Well done Ben! Patience is a virtue. The Hilton game is a prime example.

Elliott Lawrie bowled tirelessly again this season. Ed is showing improvement each year, both mentally and in his bowling. Well done Ed, it was a pleasure playing with you.

To the skipper, Steve Shankland - Shagga, well done on your season with the bat and also your captaincy. A few people wrote you off this season and you proved them wrong by averaging 40 and winning us games off your own bat. Thanks also for your support in all aspects, especially with my game and your support of the team.

I would like to thank George Baines and Anne Fairhead for scoring this season and to our supporters and sponsors a very big thank you. Also I would like to thank the Committee, in particular the President Justin Varney.

In closing, I would like to again thank everyone for their support and efforts this season, and I look forward to seeing you all in 2007/08.

Roll em, Bowl em

Brad Oldroyd
Coach

ATTENTION PLAYERS

Interested in being a captain next season?

Fill in the details below and forward them onto the Secretary or a member of the committee ASAP.

Under 17's Report

It has come to the end of yet another entertaining and exciting season of Under 17's cricket. I was extremely proud of the way the players went about their cricket and for such an inexperienced group of players, they showed great promise for the years to come.

With East Fremantle being on the verge of failing to fill an Under 17's side this year, it didn't look like we were going to be playing at all, but thanks to the help and commitment of some keen Kardinya players and parents we were able to gather enough to get started.

I thought having such a mixed bunch of kids who didn't even know each other from a bar of soap would be quite a challenge to get them to gel together and play competitive cricket, but after the first game I could see that we would get along fine as the enjoyment was evident in all their faces even after a loss.

I felt we underachieved slightly at times due to the fact that there were games that could have easily gone our way had we taken our opportunities and really stayed focused 100%. On the other hand I was thrilled with their efforts considering they are a young group of boys who have the whole of next season to really show their true ability and display the same confidence that I saw in the last two performances.

Another positive feature that will definitely improve their game for future years was the fact that we had no standout players, no individuals having to do the job every week. As a coach you might sometimes rely or become dependant on these players to bring home the victory but I didn't have that luxury, so I needed all the 11 to give it everything they had. It enabled several players to identify their true strengths and weaknesses by getting that opportunity which they might never have had in a team full of 'heroes'. This is how I believe junior cricket should be run, to give everyone a go as much as possible.

A huge thanks must go out to the team manager, Kim King, for her tireless efforts throughout the season, without her this East Fremantle team simply would not have existed. Not only did you organise everything behind the scenes but you showed great support to both me and the players and for that we are very grateful. Thanks to all the parents as well, you guys have been fantastic with your willingness each week either by helping with the scoring or getting the boys warmed up - it is all greatly appreciated. I look forward to working with all of you closely in future years down at the club.

I am eagerly looking forward to coaching these boys next season, as I understand how crucial the influx of 17's players is for our seniors. When I return from the UK I will be ready to mount a stronger challenge next year hopefully with the same bunch of guys who will have had that learning year out of the way and be ready to pose a threat on the premiership.

Here is a summary of the players from the season:

Sidney Brien: Didn't finish the 2nd half of the season but showed he can bowl some wicket taking deliveries and can only go forward with more practice (and maybe a haircut).

Callum Cant: Well I'm here to tell you that he can, ha-ha, but seriously this kid only played the last half of the season and every time he bowled he did his job perfectly which impressed me, keep working hard Callum.

Damien Gill: The "Gazelle" is probably the most disciplined and technically correct batsmen in the side, I know he would be disappointed in how his season went but I'm looking forward to see him make a big score next season.

Patrick Hansberry: Patty was as unpredictable as the weather with his batting, bowling, fielding and hairstyles, but I want to see him back next year as I feel he has unfinished business with his new but very impressive spin bowling.

Sam King: I have a lot of time for this kid who from the beginning showed he did have the ability but it was just a matter finding it on the right day. He was captain toward the end of the season and did a great job. With concentration, focus and dedication Sam will become a lot more consistent with bat and ball and who knows where he could from now, good luck Sam.

Corbin Middlemas: "Corbin Dallas" was the teams wicket keeper this season and did a sound job in that role. When it came to the batting side of things he was always keen and very confident but I didn't want to bat him too high due to his aggressive style, I wanted to save him for the end of the innings. I have no doubt he is capable of producing scores up the order in the future years.

Michael Pettigrove: A fairly quiet kid with some serious potential and always eager to learn more on how to improve his game, very consistent and handy bowler which I'm sure he can continue wherever he goes, love to have you back next year.

Ted Saunders: Was named as captain at the start of the year by players choice and he definitely had ability as an all-rounder, it was sad to lose him to other school cricketing commitments but all the best Ted.

Jacob Skinner: Another quiet star who I feel is probably the most cool, calm cricketer I've ever seen on the field, but he sure bowls with aggression, surprising the opposition batsmen with his deceiving pace which is a very handy attribute. I'm also sure he will be a dangerous batsman if he works hard at training to improve his technique, as he definitely has the eye.

Max Sweetman: "Walks" "Bloody Max" He was the heart of the team this season and never hesitated in helping me out whenever I needed it on or off the field. His good humour has kept the team together plus I asked him to help with the captaincy during the second half of the season and he did an excellent job while hopefully learning a few things from myself. Not sure if he is a batsman, bowler or both but he has an enormous amount of ability, which I'm confident, will carry on into the East Fremantle seniors, East Freo born and bred.

Tim Veletta: "Timmy" has a great respect for the game of cricket and works extremely hard on his batting, bowling and fielding. I'm sure that he will grow in confidence and self-belief to become a very talented player like his father Mike. A very reliable team man and I would have him in my side any day.

Ben Andrews: Don't really know what Ben thought of me at first as he joined us in the game where I got reported, but I thought we got on well. I really was glad to see him come down being an East Freo boy too, he was a very skilful cricketer who shows great patience with both bat and ball. I felt every game he became more comfortable with his spot in the side and I really hope to see him next year playing with us.

Thanks for the season boys – it was a very enjoyable one.

Hope to see you next season where I'm sure it will be the perfect preparation for your senior years down at Preston Point in the blue & white.

Elliott Lawrie
Under 17's Coach

1st Grade Captain's Report

The 2006/07 year started in a promising manner with the arrivals of our latest recruits, being Greg Beresi, Craig Stewart and Tim Baines who all performed well and the return of our ever-talkative Will Badger. Thank you to Justin Varney and Brent Fairhead for implementing another successful recruiting campaign. With those new cricketers and our past player group we formed a formidable team.

Unfortunately injury struck the club at the most inconvenient of times and it cost our team some valuable spots on the ladder close to Christmas, with injuries to Patty Vallence and Greg Beresi. It must be acknowledged that Greg won the Association Batting average on coming back from his injury. Well done Greg.

At Christmas we were sitting 6th on the ladder with 3 wins and 3 losses. That brought about some pressure to perform and we responded well by winning 5 out of our last 6 games. The run home after Christmas was difficult but the boys made it look easy by notching up scores in the high 300's to secure a 2nd place spot on the ladder, sending a message to all other teams that we were here to make a good run at the finals.

Unfortunately we succumbed to Hilton as we did the year before, by putting in a sub-standard performance compared to our last four rounds of the home and away season. Not only did we get beaten, but also they beat us with an hour of play (15 overs) remaining. That's what hurt our guys the most, knowing they could have done a lot better.

In saying all that, our home and away season ended on a good note to finish 2nd on the ladder. That was due to all A grade players attending training from Christmas onwards (well done to all).

My personal thanks to our team:

Elliott Lawrie: Thanks for bringing our club youth along by coaching the young East Fremantle lads and for bowling relentlessly through the season for our team.

Hugh Norcross: You have taught me how to enjoy cricket again by having your carefree approach to the game, it was appreciated as was your typical enthusiasm when bowling for us. Thanks Hugh.

Luke Jury: Great job wicket-keeping all season, it's a very hard job. Your batting after Christmas was excellent and due to good hard training you received some great rewards.

Chris Siave: Good team man. Needs to work harder to gain results. It's all there, you just have to do more hard work.

Ben Mustard: What a good season. Ben you should have had more sides on their knees but some concentration goes out the window, otherwise you would make 100's every week.

Brad Oldroyd: Excellent job on winning the Jim McKenna medal for the 2nd time in 3 seasons, also for taking more than 60 wickets for the season. Taking a hat trick was sensational for all players, spectators and yourself - well done! You showed great commitment to your coaching role and as a player. Can't thank you enough, you're a captain's dream.

Tim Baines: For a young man you show great qualities in your batting, fielding and leadership. You opened the batting all year and did a fantastic job.

Brent Fairhead: The most team-oriented player that has walked the face of the earth, he would do anything for anyone. Bully you have great leadership qualities that enable you to control situations. Thanks for the help and your words are always heard.

Will Badger: Tallest, most talkative, red eyed bloke you'll ever meet, but one of the best if not the best fast bowler in this competition. You have a great knack of getting the batsman to snick that pill. Well bowled Badge.

Greg Beresi: After a promising start to the season, Greg got injured but came back and showed what a class batsman he is. As I said earlier, Greg won the association batting average with an average of 62. You have so much ability and hope to see you down at the club again next year.

Craig Stewart: Sorry you didn't get to bowl more Disco but that's the way some of our games turned out. When you did you had a lot to offer. One day you will be the number one spinner. Thanks for your commitment and endeavour to win a flag.

Well another season has finished and I would like to thank the following people for helping me and the club out in their respective jobs.

Jennifer Forrest for being there all through the hard times and there's a lot of them. Thanks babe, love you devo.

Anne Fairhead, for doing the scoring up until Christmas and helping out where ever she could. Thanks Anne.

George Baines for scoring after Christmas and being another true team member. Thanks George.

Thanks to Justin Varney, Brent Fairhead, Cameron Brown and the rest of the committee for another fantastic year. Well done.

Thanks to all our sponsors, as we can't have this great club without all their support.

Thanks for the opportunity to captain 1st grade again.

Steven Shankland

2nd Grade Captain's Report

For the second season in a row, so close but yet.... so far!!

With last seasons triumphant return to 1st Grade cricket, this season saw East Fremantle Cricket Club take the next step to again becoming one of the premier clubs in the South Metropolitan Cricket Association, by having teams in the top two grades.

We have shown this season that we definitely belong in 2nd Grade, by just missing out on the One-day final and the Two-day finals by one victory. Unfortunately a number of soft performances cost us dearly during the season.

Brent 'Bully' Fairhead initially took on the mantle as second grade captain, however after three half centuries in as many games he was rightly rewarded with a first grade call-up. **Justin 'Reggie' Varney** then took back the reins of the side for one match against our great rivals, CBC, before handing them over to myself. **Cam 'Brown Dog' Brown** also took over for one game (...and racked up a win!) whilst I was unavailable.

So how did the season pan out... Well, we actually started quite slowly this season, I guess finding our feet in the higher grade. Unfortunately we lost four of our first five fixtures, the first game by only 7 runs, which was to prove costly in the final wash-up. With a run of one-day games we then won four of our next five to put us back on even terms (5 wins – 5 losses). In our first game after the Christmas break we needed to win to make the One-day final, unfortunately due to a number of key players missing we went down to a very strong Phoenix side. Our season never really recovered after this, winning just two of our last four matches to miss out on the finals by a matter of just 1.1 points.

It must be remembered that due to redeveloping a club into a true power club we must blood youngsters, and this was again apparent this year. For the majority of the season either **'Bully'** or myself were the elder statesmen of the team at just 29, and the majority of guys were between 17 and 23. Now that augurs well for the future!

Looking ahead the key area I believe the 2nd grade side (and the club) needs to look at prior to next season is the top to middle order batsmen available. We were quite brittle towards the end of the season, with it ultimately costing us dearly in the final game, and a two-day finals spot. This is backed by only 5 batsmen averaging more than 20 for the grade, and only 2 of these played more than 4 games. A batsman (or two) to bolster the top order is a must for next season. This will give us the flexibility to bat people were they can serve the club best and put pressure on the 1st grade bats for positions.

The Lads:

Cam 'Brown Dog' Brown is the supreme clubman off and on the field. Cam was a solid top order bat for us this year putting together a knock of 49 and a number of starts in the 20's. Cam was most noted for his partnerships, especially one of 112 with Craig Cole, of which Cam scored 18. Like all top order bats Cam was at me all year for a bowl, when given the nod he had admirable figures of 0-3 off 1 over... Potential, he thought! Cam took over as captain in one game and was also called up to 1st grade this year. Thanks for your help this year 'Dog'!

Paddy 'Mount' Lindorff played the all-rounder role this year, opening the bowling and being an extremely useful middle order bat. Although plagued with a number of injuries he was a very good bowler for us. He often was just too good for the batsman with his leg cutters at good pace. Made a number of starts with the bat, but needs to keep his head down for another five to ten overs before unleashing his immense hitting power. Has the potential to be a future leader of the club, and was definitely a sounding board for myself.

John Brown 'Clown' also played the all-rounder role this year, bowling first change and batting in the top order for the majority of the year. 'Brown Clown' has all the attributes to be a classy top order batsman who should be pushing for 1st grade selection. Like Paddy, really needs to knuckle down when he gets to 15 – 20 and go on. Made a couple of good scores of 38 and 44, but as I said should really go on from there. 'Clown' was a very valuable right arm outswing medium pacer, with another string to his bow, he is also a very handy legspin bowler. I would love to see him develop this art, as I believe this is something 2nd grade is missing.

John 'Chucky' Gallagher last season and earlier this season seemed to bounce between grades, however later this year with his solid early season batting form and lightening fielding in at short leg cemented a place in second grade by season end. 'Chuck' showed his talents as a leg spinner (once he got his run up right), and with a little work (Oldy!) and consistency could become quite valuable when looking to mix it up. Another young buck that is a valued member of the 2nd Grade outfit. His knowledge of opposition bats was invaluable this season.

Brett 'Spriggy' Sprigg... What can one say about young Brett? I truly believe that given a few years this 'kid' will be in the 'Mark Holt' mould and an extremely valuable contributor to the East Fremantle Cricket Club. Brett stepped up into 2nd grade this year and I believe learnt a lot about the length he needs to bowl. As a bat, well that leaves a lot to be desired, however he did share in a 32 run partnership with 'Hef' Norcross, making 14 valuable runs himself. I look forward to watching him develop over the years to come.

Joel 'Billy' Mouritz was our regular gloveman for the year and was as solid as ever. Rarely fumbling, Billy was a great team man in every game he played taking 17 catches in 10 games. Would be great to see Billy training hard as I believe with a little effort he would become a very successful middle order bat and an even better keeper.

Aidan 'Beak' McCarton joined us from NSW this season (thanks to Badger and Bainesy). This kid is a talented gloveman worthy of a 1st grade keeping spot, if available. He is also extremely handy when in the field, and as a middle order bat, who has the technique to open. Took a while to settle on the synthetic pitches, however with better shot selection and more experience on this surface, he will become a prolific bat in either grade.

Nick 'Nikko' Macek gave us an extra dimension this year, by being a good middle order bat, averaging 20.18 and a handy medium pace bowler (especially in One-day cricket). At 5/23 in our final game with a finals berth at stake, he stood up and made 72 out of 142. We then defended this by 6 runs. Some of Nikko's fielding efforts this season were unbelievable, definitely the best fielder in the team, possibly the grade. 'Nikko' could be anything if he committed and trained. I seriously hope to see him next season playing for East Fremantle!

Matt 'Grooma' Groom is one of the young bucks we should be looking at to shape our clubs future with. 'Grooma' is a very down-to-earth easy-going lad with immense technical talent as a bat, and in the field. He bounced a little between grades this season, and suffered a lack of opportunities in second grade early. Like all good players when he dropped

back a grade from all reports he made a stylish half-century. This boy has talent! I believe he will become a regular second grade contributor next season, with higher honours beckoning!

Patty 'Liberty' Vallenge was unfortunately severely hampered this year after breaking his ankle prior to the season beginning (these things happen when doing backflips off house roofs). He stood up at times for us, making some fighting runs against Riverton-Rostrata late in the season. An immense talent that when right, will play first grade.

Hugh 'Hef' Norcross is a prime example that if you work hard you will achieve results. Hef trained hard this year playing the first couple of games with seconds taking figures of 5-54 and 5-82 before being promoted to first grade where he continued to excel. He shared in that great partnership with Spriggy as well, making 18 not out.

Andrew 'Stevo' Stephen... Another high quality youngster! 'Stevo' always put the HIGHEST price on his wicket, knowing that runs will come, something I truly admired this year. He averaged 35.8 from his 6 innings, and added a little grit to our top order when available. We missed him when footy called. Achieved the acclaim he deserved by getting promoted into first grade this year.

Thomas 'Cooky' Cook was the life of the team when out on the field. Keeping the whole team up, focused and truly enjoying their cricket, 'Cooky' was a very important part of our mid-season turn around. A very flexible bat, averaging 23, with the ability to either open or bat in our middle order, he also could come on and bowl some handy medium pacers.

Other lads that contributed to the 2nd grade season included **Brent 'Bully' Fairhead** who started the season in a blaze of glory, knocking up 3 half centuries in as many games which then saw him return to 1st grade for the remainder of the season. (He averaged 43.6 from 5 innings). **Craig 'Coley' Cole** as one of the most destructive bats in the competition was unfortunately hampered by having to work away this season. He made a number of blistering scores this season, especially against Willetton in which his first 7 scoring shots were 6 – 2 – 6 – 6 – 6 – 4 – 4 (34 runs) going on to make 82.

One of our youngsters, **Sam Brown** had minimal opportunity in 2nd grade however showed enough with the bat and ball that suggests with a little work he will become a handy all rounder for us. And finally, **Scott 'Knighta' Knight** probably had a disappointing season after taking out the club's 2nd side Best & Fairest last year, however he contributed 100%, on and off the field. Bowled a couple of very handy spells during the year and I have no doubt he will come back with a vengeance next season. Would love to see him cement a spot in 2nd's next season.

Many thanks should also go to a couple of elder statesman of the club **Victor 'Borat' Kostopoulos, Mark 'Holty' Holt** and **Kevin 'Wobbler' Munro**. These lads filled in beautifully for us at different stages this year, with 'Holty' taking 4/45 when the pressure was on in what turned out to be our final game.

All in all a very enjoyable season with many highlights, unfortunately at this time of year when you don't make the finals, that's what sticks in your mind. However we can't dwell, next season will tell us how much we've learnt from this year's disappointment. So to finish on a high a few of my personal highlights included:

- **'Brown Dog's'** commando roll during celebrations following his great (& match winning) catch in our final game.

- **'Coley's'** massive strike against Willetton. From the river end at Preston, he dispatched the ball onto the road behind the practice nets.
- And finally, **'Cookys'** on field commentary, with so many memorable calls however "CHEEEEEEESE!" and "FIIISH.... mmmm Protein!" spring to mind.

Congratulations must go to 1st, 5th and One day A's for their finals appearances this year. **Extremely well deserved!**

I'd like to thank a few people for the season that's passed, namely:

- **'Reggie'** for his words of wisdom and support as President;
- **Darren 'Doggie' Muir** as chairman of selectors, I won't miss our Saturday morning phone calls!
- **'Brown Dog'** for sorting out ball fees etc. every week, and along with **'Mount Lindorff'** being a good leader out on the field, it is a team game after all;
- **'Spriggy'** for offering to be first square leg every week (although after the final game he has been sacked!); and finally
- **To each and every one of the lads who lined up for East Fremantle CC 2nd XI this year, it was a pleasure!**

Good luck to everyone in the coming months and next season. I hope to see every one of you back here next year, we have so much unfinished business!

Cam Youngson
2nd Grade Captain

5th Grade Captain's Report

The 2006/07 season for 5th Grade was one of mixed fortunes as we experienced both the highs and lows that a full cricket season can bring. Firstly we won the One Day premiership which was an excellent game, and secondly we finished as minor premiers at the conclusion of the home and away season. We finally bowed out of the race after a disappointing semi final against 4th placed Willetton who eventually went on to win the premiership.

A total of 34 players represented 5th Grade in 2006/07:

John Olczyk (15 Games), Mark Bogensperger, Kevin Munro & Vic Kostopoulos (14), Ben Campbell (13), Mark Holt & Gary Moustoukas (12), Darren Muir (8), Scott Knight (7), Joel Ward (6), Cam Bowden & Brodie Renouf (5), Jason Hof, Alex Lyon, David Vass & Sam Brown (4), Cam Brown, Paul Faranda, John Gallagher, Vic Strnadica & Joel Mouritz (3), Jarrad Holt, Nick Macek, Brett Magee, Michael Shorter, Brett Sprigg, Blake Lawrie & Daniel Mackey (2) and 1 each to Will Badger, Andy Stephen, Paddy Vallenge, Tommy Cook, Matt Groom and Craig Knight.

Batting

Partnerships as we all know are an important ingredient in setting up and ultimately winning games of cricket. We had some fine partnerships during the year which are detailed in the table below:

| WICKET | P'SHIP | BATTERS | ROUND | OPPONENT |
|--------|--------|-----------------------------------|-------|-------------------|
| 1 | 163 | Darren Muir - John Olczyk* | 14 | Kardinya Lakes |
| 2 | 72 * | John Olczyk* - Mark Bogensperger* | 14 | Kardinya Lakes |
| 3 | 107 | John Gallagher - John Olczyk* | 8 | Kardinya Lakes |
| 4 | 78 | Brodie Renouf* - Ben Campbell | 3 | Hilton Palmyra |
| 5 | 89 | John Olczyk - Gary Moustoukas* | 8 | Kardinya Lakes |
| 6 | 61 | Cam Brown* - Mark Holt | 6 | Cockburn |
| 7 | 36 | Thomas Cook - Scott Knight* | 11 | Riverton/Rostrata |
| 8 | 40 * | Mark Bogensperger* - Mark Holt* | 3 | Hilton Palmyra |
| 9 | | | | |
| 10 | 34 | Gary Moustoukas* - Scott Knight | GF1 | Armada |

In the batting department this year we had only 3 players scoring over 200 runs, and there were none better than the veteran **John Olczyk** who amassed 731 runs at an excellent average of 48.73 (including 3 centuries and a personal best career score of 170 vs Riverton Rostrata). It was a shame Olly pulled a hamstring on a couple of occasions, which kept him out of a few matches, however the thing I like about his batting is his running between wickets and his ability to turn the strike over on a regular basis. Well done Olly!!!

Vic Kostopoulos had another consistent season scoring 335 runs @ 25.77 and another veteran in **Kevin Munro** regained some of the form that we have come to expect from him over the years, scoring 235 runs @ 18.08. Both Kevin and Victor formed a dependable opening partnership combination for most of the season. Kevin also scored one century Vs Cockburn. Others to perform well with the bat were **Mark Bogensperger** 188 runs @ 17.09, **Daren Muir** 187 @ 31.17 & **Brodie Renouf** 167 @ an excellent average of 41.75

from only four innings. It was just a shame that due to work & family commitments we couldn't get Brodie playing on a more regular basis. He showed his class under finals pressure in the semi, making the highest score of 41 out of a paltry team total of 106. Was unfortunate when out to an excellent catch.

Other players to score half centuries were **Cam Brown** (51*), **John Gallagher** (73), **Tommy Cook** (63), **Jarrad Holt** (61), **Matt Groom** (54).

Bowling

A total of 21 bowlers were used during the year and the pick of the bowlers was **Gary Moustoukas**. Like a fine red Gary just keeps better and wiser with age. Gary took a staggering 48 wkts @ a miserly average of 6.92. This included 6 five wicket hauls and also 1 ten wicket haul in a match. What a sensational season Gazza!!

When I threw Gary the ball I always knew there would be action and he never let me down. The great trademark of Gary's bowling is his concentration and thinking abilities. He quickly works out a batsmen's weakness and then utilises his vast array of delivery types in his repertoire, to wreak havoc in opposition batting line-ups.

Mark Bogensperger also had a sensational year with the ball taking 44 wkts @ 10.32, including 3 five wicket hauls. The thing I like about Bogey is he plays with a lot of passion and has an extremely high work rate. His late inswinger bowled many batsmen throughout the season, often catching them by surprise. Bowled with much greater accuracy this season and his results showed this.

The only other bowler to take a 5 wkt haul was **Nic Macek** Vs Maddington.

Fielding

Wicket keeping is a difficult job at the best of times but particularly more so when you open the batting and you're no spring chicken!! For this reason **Kevin Munro** had an outstanding season behind the stumps taking 16 catches and affecting a very high rate of 10 stumpings. Others to break double figures were **Mark Bogensperger** with 11 catches and **Vic Kostopoulos** with 10.

One-Day Grand Final

At the end of the one day series we were positioned second on the ladder which earned us the right to play Armadale in the GF at Gwynne Park on Sunday 21 Jan. The only good thing about playing out there is the bus trip which turned out to be a most enjoyable trip home!!!!

After winning the toss I elected to bat first and we got away to a flier with the dynamic duo **Vic Kostopoulos** and **Kev Munro (18 including one towering 6)** setting up a great foundation with an opening partnership of 62. From there things went terribly wrong when we lost the next 5 wickets for only 13 runs, and at 6 for 75 things were looking very shaky to say the least.

A seventh wicket partnership of 25 between Bogey & Vic restored some credibility, however when the eighth wicket fell at 103 (Vic Kostopoulos) it put a shudder through the camp as Vic looked like he was set for a 100. Vic played his best innings for the season with a brilliant 75 (6 x 4's), and what a time to play it. Vic stood strong throughout most of the innings only to see 7 wickets fall at the other end during his time at the crease. From the start he timed the ball well and it was an innings full of sheer determination and concentration, where he played shots to all parts of the ground.

Benny Campbell was the ninth wicket to fall when the score was on 113.

Enter **Gary Moustoukas (21*)** & **Scotty Knight (11)** as the East Fremantle fighting spirit kicked in and "Moushy" and "Knighta" put on a most valuable last wicket stand of 34 to give us a defendable total of 147 to bowl at, even though we failed by 2 overs to bat out our 40. A great rearguard action considering we were 6 for 75 and the 100 was looking shaky there for a while.

I have always been a great believer (particularly in finals) that it's easier to defend than chase, and defend we did. At no stage did we allow Armadale to establish a sizable partnership, and it speaks volumes that their best partnership of 23 was their 10th wicket. All bowlers did a superb job, and **Gary Moustoukas** followed up on his fine batting display to finish with the great figures of 5/13 from 7 overs. He was well supported by **Mark Bogensperger** who returned 3/28 from his 8 overs. **Scotty Knight** started the rot with the all important wicket of Crabb and finished with 1/16 from 4 overs.

I suppose it would be remiss of me not to report my direct hit run out from mid wicket to remove one of Armadale's form and danger bats in Peter Smith, who I set myself to target in pre-match strategies. Needless to say I was planning that be with the ball and not with my fielding skills, but nonetheless it was a big wicket that was a turning point in the game, as I do believe at this time (5/56) the nerves and panic were beginning to show in the Armadale camp, as nothing was going to stop the Blue & White train.

The next 4 wickets fell for only 15 runs and as always the last wicket hung around for a while prolonging the agony for Armadale. But when Moushy deservedly took the last wicket Armadale were all out for 93 in just 30 overs as we comfortably won another one day flag.

We had a sensational bus trip back home and celebrated long and hard..... as winners do!!!!

Well done to the following One Day 5th Grade Premiership players for 2006/07. Vic Kostopoulos, Kev Munro, Jason Hof, John Olczyk, Daren Muir, Vic Strnadica, Mark Holt, Mark Bogensperger, Ben Campbell, Gary Moustoukas, Scott Knight and 12th man John Gallagher. Thanks to all of our club supporters who travelled to Armadale to show your support for the team, and in particular thanks to Cameron Brown for scoring.

Two-Day Semi Final

After finishing the home and away season on top of the ladder, we met 4th placed Willetton who had hit some good form late in the season. We won the toss and had no hesitation in batting first. We lost our first wicket at 6 and from then on partnerships just didn't happen as the highest partnership for the innings was between **Brodie Renouf (41)** and **Mark Bogensperger** who put on 35 for the 7th wicket, before Brodie was out to a great catch at deep backward point when the score was 99. Bogey then fell with an undisciplined shot (he wasn't alone!!) with no addition to the score as we crawled to be all out in the 59th over for a poor score of 106. Taking nothing away from the Willetton bowling (which was steady), we did offer some poor shot selections, and had it not been for **Scotty Knight (18)** who really gutsed it out at No.3 and **Brodie Renouf**, who looked set to bat out the innings, there was no one else who offered much resistance as you would expect from the top side in a final.

It was disappointing to say the least, however the boys did not drop their heads and we attacked Willetton with all our might, to have them reeling at 8/94 and within a sniff of victory. The fielding was excellent with "Wobbler" taking off the gloves and throwing down the stumps at the bowlers end to effect a brilliant run out, and Olly took an absolute blinder

at silly mid on. It looked like we were set for a fairytale finish, however it wasn't to be and Willetton managed to score the 11 required runs without further loss.

Mark Holt 3/33 from 16 overs and **Mark Bogensperger** 3/39 from 9.3 were the pick of the bowlers. A disappointing end to the season, but it was pleasing to see that we fought the game out right to the end. Hopefully the boys learnt a lesson that will make us even hungrier for revenge and success in 2007/08.

Thanks

Thanks to all players who represented 5th Grade throughout the season. It was both a pleasure and a privilege to be your captain.

In particular, thanks to Olly & Doggy who captained in my absence. Special thanks to Doggy who left his One Day A's captaincy position on several occasions to always help out our side when injuries sidelined a couple of the "old blokes". Thanks also to Kelvin "Fridge" Gray who was 12th man and scorer during the two-day semi-final. Thanks to Gary Moustoukas for organising and driving the bus to the One Day Final and for his other assistance at various times throughout the year. You'd make a great wife one day Gary!!! Well done also to Olly for arranging the lovely cold mini "Grolshy's" after most games. They were a winner!!!

Finally thanks and congratulations to the committee on another successful season "at the blue & white crease."

It's a great game this cricket!!

Mark Holt
6th Grade Captain

One Day A Captain's Report

Well 2006/07 was a premiership year for One Day A's and I am very proud to be the Captain of the team, more importantly a great bunch of blokes. It was an up and down season due to lack of numbers at times and player availability.

One of the good things to come from the year was the improvement of Sam Brown and Blake Lawrie, there is a future for both of these young blokes up the grades. Also a highlight was the return of Jason Hof, such an elegant batsman who hasn't got a care in the world. Three centuries this year to Craig Cole and one to Jason Hof - they were class innings. The middle of the year form of Vic Strnadica, the bowling from Mossy, Sam Brown, Alex Lyon and Justin Varney were all fantastic mainly in the last half of the season. A big highlight was a 50 by the evergreen Paul Lyons, well done CHOP.

I would just like to thank Vic Strnadica, Paul Lyons and Justin Varney for leading the team when I was playing 5ths and thanks to all the guys who played One Day A's. It was my pleasure to lead a bunch of mates to a flag and couldn't have done it without my right hand man Vic - thanks again mate.

Now just a quick run through the Rounds:

ROUND 1: Started with a forfeit, so a victory over our arch enemy C.B.C.

ROUND 2: Was a good win over Canning. E/F 8/261 def Canning Districts 172. Great efforts from Coley 105, Hof 66 and bowling honours to myself 4/22.

ROUND 3: We tasted our first defeat with an ordinary display with the bat. E/F 112, Armadale 197.

ROUND 4: Was a run feast out at Forrestdale with Craig Cole scoring his second century. Scores E/F 271, Forrestdale 199. C Cole 103, D Shorter 71 and M Little 41. Pick of bowlers was G Moustoukas 3/34.

ROUND 5: A Century by J Hof led us to an easy victory over Kenwick. E/F 7/231, Kenwick 5/166.

ROUND 6: A competitive score of 175 was not enough against C.B.C. with myself making 38 not out and Vic Strnadica 27 C.B.C. replied with 207.

ROUND 7: We won a pressure game against Canning Districts, bowling them out for 155 with B Lawrie taking 3/23 and Mossy 3/33. We replied with 5/178. A Gunthorpe 55 not out and Vic Strnadica 48.

ROUND 8: E/F 8/178 def Armadale 159. M Little 40, Vic Strnadica 34. Bowling B Clancy 3/15, V Strnadica 3/28. A good double for Vic.

ROUND 9: We lost to Forrestdale at Webber. E/F 9/159, D Muir 47, M Shorter 44. Forrestdale 184 with D Barry 4/15.

ROUND 10: Forfeit

ROUND 11: Lost to C.B.C. at Webber. E/F 174, V Strnadica 63, M Little 49. C.B.C. 8/222.

ROUND 12: Was one of the worst batting displays, we were all out for 51 against an ordinary team in Canning Districts who made 136.

ROUND 13: We bounced back to form with a good win against Armadale in a great game of cricket. E/F 9/221. D Muir 89, M Little 52. Armadale were bowled out for 186. A Lyon 3/29.

ROUND 14: Chased leather in this game only making 168 with J Hof 43. Belted by Forrestdale 4/283.

ROUND 15: A good win against Kenwick undermanned, we were led to victory with Chop 58 top scoring. East Fremantle 6/216. Kenwick 8/168 with young Sam Brown taking 2/31.

ROUND 16: Another bad batting display against C.B.C. all out 61 with Coley making 38. C.B.C. 5/238. M Grogan 4/42.

ROUND 17: A close game against Canning Districts 7/131 with some tight bowling S Knight 2/16 D Muir 2/22, we replied with 9/146 just fell over the line thanks to V Strnadica and Sam Brown 28 not out.

Now just on to the final series, first up we played C.B.C. where we won the toss and batted. We were all out for 139 with Coley making 56 and Hof 25. At one stage C.B.C. were 0/30 but we stuck to our guns and produced the best fielding and bowling performance of the year, with all bowlers bowling a treat. Figures - D Muir 3/11, S Brown 3/14, Mossy 2/16. So a great win over C.B.C. who we never beat all year but East Fremantle rose to the occasion.

In the Grand Final we won the toss, chose to bat and made 213, a reasonably good score with Coley outstanding making 81, the partnership between myself and Craig was very timely, worth 80 odd and some good support from Chop, Beaka, S Brown and A Lyon. Reg and myself opened the bowling and had them in deep trouble at 5/11, but they fought back and put on a hundred odd! I must admit I was getting a little nervous but a great catch by J Varney turned the game and we went on and bowled them out for 171. Bowling figures - D Muir 6/15 J Varney 2/30.

Just on finishing I would like to thank Brad and Steve for their support and their efforts this year.

Great win boys thanks for your support.

Darren Muir

One Day D Captain's Report

Originally when I volunteered to captain the One Day D's, I was hoping it was going to be pretty much the same team as last year's One Day C grade, which showed so much promise in the last part of the season, but that was not to be. The nucleus of the team were some crew from last year; Mike Jolly, Daniel Mackey, Ethan Savage and myself, plus a new guy Mathew Grogan (Pies) and two guys who had been at the club for a while, David Vass (The Cat) and John Ziolkowski (Z-Man). Plus the young blokes some of whom played for our under 17's last year; Reece Mouritz, Kit Sinclair, Tristan Ryan, Cliff Willis and Steve Holmes.

The season wasn't looking too good until there was a ray of hope when Paul Knight and myself made 10 runs off the last over to tie the game at 151 runs each in round 3 against Canning Districts. I think this was the only time both score books added up to the same score all year, usually there was about 3 runs difference between the two score books each match. Our first win came in round 5 when we beat Phoenix, and the best move of the game came when Z-Man came on to relieve me of umpiring duties when we were close to passing the Phoenix total because I had told him I would buy a carton if we won. I made it down to the liquor store and back in under 10 minutes (some would say the fastest I moved all season).

Unfortunately by January 2007 I had lost nearly all the young players (mainly to work commitments) and it was a struggle to find 11 players each week. By round 14 we managed to get into third position on the ladder despite major changes to the team each week. After that it was all down hill because at round 15 the team had to forfeit (even though I had confirmed 11 players during the week) because of a major shortage of players in all the other grades. We did rally together for another win against Phoenix in the final game of the season, where we all played at our best and flogged the team that finished the season third on the ladder.

Congratulations and best wishes to Daniel Mackey and Mathew Grogan for being Best and Fairest and runner up respectively. Both will be moving on soon and unfortunately won't be at the club next season. Thank you to Ethan Savage, Joel Ward, Scott Knight and Mathew Grogan for bringing in new and eager players into the side during the last part of the season. Thank you to the Fijian Guys, Paul Knight and Simon Jepsen who played in the team when they could, with great enthusiasm even though they were way too good for this grade.

Special thanks to all the guys (including the many one game wonders) who played in my team this year, I had a great time and met a lot of terrific characters, most of whom feel privileged to play cricket no matter what the grade. Finally an extra special thanks to my girlfriend Jodie for all her support over the season even though she hates cricket.

Kelvin Gray
