PRESIDENT'S REPORT

Records were made to be broken and that's exactly what happened at East Fremantle Cricket Club this season.

- Over 1000 runs hit over 1 weekend
- 4 out of 5 games making the finals
- 3 out 4 making it to the elusive grand final

and elusive it was, with only 1 out of 3 winning and unfortunately a loss in the 3A's one-day grand final also.

Congratulations to Justin and the 'booze-hags' on winning the G.F. Commiseration's to Treve, Middo, Brian and their sides on losing their respective Grand Finals.

To Brian and his 3A side, well. Last year you missed out on the finals in the last qualifying game, this year you missed out on the grand final by only a few runs. Let's see you go one step further next season.

To Middo and 4th grade. A great start to the season saw us hold on to top spot until the last qualifying game to S.J Blues and eventually beaten by the same side in the grand final. A lack of consistent training numbers I feel was the difference between winning and losing in the end. Some more effort needed next season on the training track guys and you could possibly go that one step further.

To poor old Chopper and 6A's who seemed to be the chopping block of all the sides and at the same time not having his better players available all year made it hard to win enough games to make it to the finals. I just hope we can entice some players back to the club who have been missing in recent years and make it your turn to play in finals, and perhaps win the big one.

To Treve and the 2A's. A great effort to win the last 4 qualifying games to make the finals, however losing the big one was again disappointing. I feel our bowling was excellent throughout the season but our batting let us down too many times, with the exception of Steve Beatty who had an excellent season. I wish Steve all the best if he chooses to give pennant cricket a go and will be surely missed. With the help of some recruits next season I'm sure it will be third time lucky.

Once again congratulations to Justin and the 6B's on winning the Grand Final, a well deserved effort. Looking at last season's effort, it comes as no surprise the successful season the team has had on the field and yet again off the field. The training track was a little disappointing for the booze-hags and I hope this can improve next season in what I can see will be another tremendous season.

Many thanks to Mal Green as coach and chairman of selectors, which I feel was a very demanding and at times frustrating season for you. Your 2 years as coach has been terrific and although you won't be coaching or playing anymore your addition to the committee I'm sure will be rewarding for both of us. Welcome on board.

To my committee I thank you very much in supporting me throughout the season. To Harry & June Summerfield for an outstanding job behind the bar, on the kitchen and of cleaning the club twice a week I thank you.

Thanks also must go to all the non-committee people who have helped throughout the season, from the ladies who set-up afternoon tea for the 2A's (Nat, George & Belinda) to Ally Cross for working behind the bar on Saturday nights, I thank you all.

I would also like to thank the following sponsors for the 200/2001 season:

- Bicton Cellars
- Joe & Mirella Pica for the meat hamper each week.
- Spiro Karlovski from Rick Hart's
- Zapata's
- Keith Huxtable from Garvan Financial Planners

And last but not least, you players. You guys make the club. The more you support it the better it gets. Congratulations to all the trophy winners and association trophy winners tonight and hope you enjoy the night.

See you all next season

GEORGE STRNADICA
President E.F.C.C.

COACHES REPORT

Well what a season! My 2nd grade captain, Treve, suggested my report last year was too short, so here goes.

With finals in the process of being completed 4 teams in semis, now 3 in the Grand Final, plus 3rds getting into the one-day grad final. I would first like to thank the captains Reggie, Chopper, Middo, Brian and Treve for jobs well done. It's not easy being captain, what's more it's not easy being a coach or selector; anyway I think I've managed.

Thanks to George and his band of merry men on the committee, your support and help over the season is much appreciated. To the wives and partners, your attendance at the games, help with afternoon teas etc, a special thank you.

To Harry, June, Paul and Andrew your contribution to the club is immense, thanks a million. To anyone who helped with training, it's helpful have it running smoothly. Thanks to Keith Huxtable with the supply of shirts. It would be really great to see you at the wind-up. Swifty for the portable net, great job, great opening partner. The coach's award this year was terribly hard with 3 outstanding efforts. Brett Hopkinson, Cam Brown and Vic Strnadica.

Good luck next year. I'll see you around the club or at the home of the mighty Sharks.

Greenie

P.S. I'm now available for blind dates.

CAPTAIN'S REPORT 3A's

I would like to take this opportunity to thank everyone that played in the 3A's side this year, thank-you.

I personally have enjoyed captaining this team winning 9 out of 14 games for the season to finish 3rd overall. A good effort. Unfortunately we lost our semi final against Canning Districts by only 4 runs and were beaten by a better side on the day in the one-day final by Leeming Spartans.

Thanks to the East Fremantle Cricket Club and the supporters on the day. We had a lot of fun and enjoyment along the way be it winning or losing.

CAPTAIN'S REPORT 4's

Reporting on the first seven games as captain and may I say the first in my long career. It was a thrill to see 11 players, some 4 or so 6th grade players, giving their all once they crossed the white line. To those players I do thank you because it has a special place in my heart. Cas, Beaker, Stu-e, Adam, P.C, Jon Torre, Cam Brown, Johnny Muir, Paul S, Lansbury, Smitty and Vic anyone else I've missed, I'm sorry (early stages of Alzheimer's). We as a team set the scene for Middo to take over and carry on into the finals. Thanks Jon for helping me out when a decision had to be made. That's about it and see you all next season.

MAL GREEN

Thanks Mal for giving me the opportunity to take over a side that had won 6 out of 7 games and was some 40 pts clear on top. Not a bad effort for first up captain!

Fortunately we had lost that buffer as going into the last game we had to win to remain on top so the wheels had definitely started to wobble quite dangerously. Playing Kardinya for the right to advance to the grand final we had possibly our best team. This fact was reflected by our resounding victory.

Kardinya 172
Cam Duffy 3/20 off 20 overs
P.C 3/43
East Fremantle 4/177
Phil Swift & Rod Dunstan opening partnership of 106
Swifty 35
Dunno 112

Then the big one and OH Boy did the cracks show up. Cam Duffy being the only one to stand up and be counted with 3/53 and 25 n.o.

Those figures show that whilst our batting was quite strong the bowlers really struggled apart from Cam who was a class above 4ths. The next best bowler was Dave Stewart with 17 wkts. The thing that makes Stu-e so good is his willingness to bowl from any end at any time and his pure enthusiasm for the game. P. C also bowled well. As soon as he learns to control the ball a little his rewards will be greater.

Our batting was dominated by three guys all of whom ran into great form then took this form up to the higher grades. Vic, Brownny and Hoppy well done. Good to see you all finally making runs consistently.

To finish off I would like to make a few thank yous.

Swiftly for seeing the 'Experienced Opener Required' sign. He had a steadying influence on the team when it was needed. He also stood tall at the top of the order. Troy, for taking control of the field at various times. Lastly the entire crew of the 4th grade shuttle. At times I really thought with Roo, Murphy, Brownny, P.C, Smitty and chief engineer Magoo as crew we were lost in space (What are you trying to say Middo. Ed).

This fact aside those blokes as well as everyone else that played under Mal or myself did what I asked of them and that was to go out and try your very best for this great cricket club.

Thanks for letting me lead this great bunch of guys

MIDDO

P.S. Sorry Reggie, Fantastic effort to you and the rest of the hags. Well Done

CAPTAIN'S REPORT 6A's

Welcome players, life members and supporters. Firstly congratulations to all grades on a highly successful season.

I would like to thank all those (40) players who took part in games for 6As this year. It is always hard to manage the lowest grade (6Bs are untouchables) at the club. At the start of the summer I thought after last season's late run for the finals this could be our year. History shows it was unkind with only 7 wins. The loss of Bloodnut (moved to Midland), a knee injury to Greg Howard, Knowlesy not playing and a bad year with the bat by myself and Mick Curven didn't help.

Our squad this year included a high caliber of seasonal cricketers – Swifty, Beaker, Mick Shorter, the Howie Brothers, Curven, Half-Penny, Crossy and Roo McKinley. The problem was we couldn't get everyone together in the one game (lucky for the opposition). With an over-supply of players it was hard to juggle numbers and be successful. There was an average of six changes to the team each week, as I endeavored to give everyone a go, with selection priority to those who trained. Of course it is hard to please all and some guys didn't like the rotation system. I really struggled one week when 8 players missed out on selection and they all trained. It was the hardest night for me as a captain and the worst feeling I've ever had at the club, as I knew some would be bitterly disappointed. We're not playing for sheep stations, all I ask is that those on the paddock give 100% and I'm really happy they did.

Our batting did struggle compared to last season. Before Christmas we averaged runs per innings (5 wins, 4th position) and after Christmas we crashed with an average of only 130 runs (2 wins). The pick of our batters were Mick (the puller) Shorter with 330 runs, Graeme (the straight hitting) Howard 291 runs and Phil (the cutter) Swift with 248 runs. Bruce Penny and Vince Cross also had good years with the bat.

Bowling this year was our strength but our catching let us down; hence we couldn't finish sides off. The performances of our regular openers Bruce (1/2) Penny with 29 wickets @ 18.17 and Vince (he's not angry, he's) Cross 20 @ 19 was nothing short of first class. They formed one of the best opening bowling attacks in the competition. Good back-up came from C. McKinley, G. O'Brien, C. Willis and Graeme Howard. A special mention for Matt O'Brien who improved in each of his 6 games at the end of the season, taking 12 wkts @ 12.75. Matt is the most promising young strike bowler I have seen. He has a big heart, his fast ball is as quick as anyone's and being a lefty makes him hard for most batsmen to handle. Next season I would like to see some of the more experienced bowlers take him under their wings; work on his run up and control as I feel he has the potential to be a top line bowler for the higher grades in the future years.

It was great to see new players in 6A's this year including the O'Brien brothers, Frank Seamen and Dave (the Eurythmics) Stewart. Also well done Cass Willis on your return to the club, you bowled magnificently in 3 grades this year.

Thanks also to Howie, Swifty, and Curven for captaining in my absence and Brett Magee who captained when I captained (but you get that with Bobby).

The main highlights for the year for me included –

- Swifty hitting his first ever 6
- Howie getting another ton after years of waiting and his 300th wicket
- Vassy's game against Maddington, 8 overs 1/31 and 26 N.O. The best ever game I have ever seen him play! I've seen a few.
- The bowling of Penny/Crossy/Matt O'Brien

- Frank Seamen giving 100% every time he played
- The '**Black Arse Cod**' showing some emotion at the vote night

The funniest moment – In the game against C.B.C Graeme Howard got given out for a duck. Ken Judge appealed at the umpire (a real umpire; well supposedly) so loud and viciously he finally put up the finger. Howie couldn't believe it. After the game the umpire went up to Greg Howard thinking it was Graeme and said you were unlucky, you weren't out! Graeme and I were standing behind them and couldn't believe our ears. To rub salt into the wound the umpire then went into the change rooms and told Judgy he owes him a beer because Howie wasn't out. Welcome to 6th grade cricket Howie.

Next season looks promising with a good crop of young players and more regular availability from the old boys a finals campaign is beckoning. We've worked hard over the last few years and deserve the chance. Hope you'll be a part of it next year. Like Big Kev "I'm excited".

Thanks also to the committee, Mal Green, Harry and June Summerfield for their tremendous efforts in keeping the club running smoothly. Enjoy your night folks and congrats not only to the trophy winners but all those who played and supported the club throughout the year. Well Done.

CAPTAIN'S REPORT 6B's

It is with great pleasure that I write the captain's report for 2000-2001 season. Every team sets out at the season's commencement to win a premiership, but to actually achieve this has been a fantastic experience for all concerned.

Most at the club know the hags have a great camaraderie amongst the boys but this also extends to the wonderful group of friends and family who have travelled to such wonderful venues as Kelmscott, Armadale and Downtown Kwinana, home of the incomparable 'Mustard'.

We lost just 3 matches for the season from 22 and that in itself is a great effort. Throughout the season we had a fantastic and thoroughly enjoyable time and this was due to the attitude of the boys who were playing the game first and foremost for fun.

We uncovered a few potential players of the future for the club in Travis Sprigg Chris Della Vedova, Ryan Hopkinson and Brad Fisher, whom with the will and the right coaching and encouragement, can progress successfully at higher levels.

The 'old timers' in the side such as Maggsy, Bleaks, Gooby, Mossy, Craigo, Platta, Dino and Robo are a pleasure to play with and make the hard times out on the field all the more bearable.

To Maggot, whom I believe improved immensely throughout the season, well done mate. To mossy who also had a season way beyond a lot of people's expectations, fantastic effort mate and I hope you keep playing. Hoppy, a keeper of class, well done. Spriggy and Dells, two guys in their first season of senior cricket, great effort boys and I do hope you both continue to play. Finally to Craig and Gooby who displayed what they are made of when it really counted – sensational!!!

Finally I would like to thank the club for their continuing support. Mal for his past 2 years of efforts and particularly Harry Summerfield, the unashamed No. 1 fan & supporter of the hags. Thank you for your support, friendship and encouragement over the past 2 years and looking forward to sharing many more.

To my wife Vicki and kids Chelsea, Georgia and Abbey-Rose. Thank you for your love and Support in allowing me to enjoy the twilight of my sporting/social life.

JUSTIN VARNEY
